MARKET RALLIED ON FREE COVERING

Many Stocks Had Plainly Become Oversold, Especially in the Industrials

New York, May 13.—The market today was characterized by a general rally in all classes of securities... Many stocks had plainly become oversold, especially in the industrials...

PRICE SHADING IN THE LOCAL SHARES

Postponement of Southern Ry. Preferred Dividend Another Hint to Investors

By reason of the operation of federal and state income tax laws, it is not unusual for an investor to net from 20 to 30% more income from the securities he holds than other investors who own exactly the same bond or stock and stocks.

We are prepared to answer questions regarding the taxation of investments and investments in general.

CURB TRADE SHOWS INCLINATION TO LAG

Fluctuations Narrow and Business in Moderate Volume. Oils Featureless

New York, May 13.—The market on the Broad Street Curb was comparatively quiet and showed continued indifference to the various movements on the stock exchange just as it had done when that market was extremely heavy and unsettled during the preceding days of the week.

Secrets Company of America was in fair demand, but made little net gain in spite of published statements reporting a steady increase in business for this year to date.

There was little trade in the petroleum stocks, Elk Basin ranging from 2 1/2 to 3 1/2, and Simons Petroleum from 10 1/2 to 10 3/4.

How to Forecast Sales This Summer

Certain territories and certain industries present unusual sales opportunities. Will you get your share of this business? Is your sales manager following the old method of depending on salesman for reports of conditions or is he basing his sales campaign on unbiased facts?
