What to Do Are you going to be a June bride? And how are you going to have your vell arranged? Something entirely new is shown at the right in the wired lace which stands up like

a Spanish comb at the back of the head, leaving the hair uncovered. The vell hangs down the back, spreading just a little over the front of the shoulders. The statuesque girl of the Oriental type would look well in the lace cap affair below, with its square earlaps. With a little moderation and a slight flaring of the side pieces this could be made into a quaint Dutch cap for the cute little flaxen. haired girl. A new conception of the "top-of-the-head" veil is this flat "hat" with a ruffle of lace beneath two strands of pearls

Barry Neil is sent to prison for embezzling funds, but Marriet, his wife, because she believes in his innocence, is determined to prove it to the world. She obtains a posi-tion in Barry's office, under a dif-ferent name, and there attracts the attention of Charley Harmon, the son of the head of the firm. Thinking that she man learn something from that she may learn something from him, she accepts an invitation to dinner, and Charley makes surreptitions love to her. A girl at the next table watches them closely, and the next day Charley meets her and tells her that she is not to make any trouble for him.
