"Luckily my car missed the women—but another machine smashed head-on into my car."

"SETTLED—seven days later"

Actual Example of Liberty Mutual Automobile Insurance Service

I WAS driving at moderate speed along a highway. Rounding a curve I noticed just ahead on my right two women getting out of a jitney. They started across the road, directly in my path.

"Quickly I jammed the brakes—skidded to the right—and left. Luckily my car missed the women.

"But—just at that moment another machine swung around the curve from the opposite direction, skidded sideways—and crashed head-on into my car. Both cars were badly smashed. But worse, a woman in the other machine was hurt.

"Only seven days later, the Liberty Mutual had satisfied every claim against me. That is what I call good service."
