MAXWELL REQUIRES 80
Atlantic City, N. J., May 19.—The golfer who beats Maurice Risley for the coveted medal in the annual spring golf tourney of the Atlantic City Country Club will have to return a lower card than 75.

The meeting is called for the purpose of establishing caddy schools promoting matters for caddy welfare. The committee has invited each club of the local district to send the chairman of its Caddy or Greens Committee to the meeting today, and it is hoped to have about forty delegates.

The competition started this morning over the Northfield links and Risley, of the home club, went over the course with a medal score in this competition, 75. He has won the medal about every spring and fall since the tourney became a fixture and he doesn't expect to upset this record in this competition.

The subject of organizing the committee into a caddy welfare club, similar to the Greens Association formed Tuesday, will be brought up today.

Risley was paired with Norman Maxwell, of Whitemarsh, who had an 80. Their cards:

Cup Offered
The tourney was such a success indeed that Mrs. Rollin H. Wilbur, chairman of the Women's committee at St. James, proposed a cup for the year.

It marked the second victory for the Fourth Battalion, who are conceded as the likely pennant winners in their division. The score:
