

LEGION MEN PLAN FOR MEMORIAL DAY

Posts Will See That No Soldier's Grave Is Forgotten—Appropriations Asked

WOMEN TO CO-OPERATE

Philadelphia cemeteries will not lack attention on Memorial Day. Military ceremonies will be held over virtually every grave of a war veteran here by American Legion Posts and Civil War veterans. In many cases they will hold joint ceremonies.

The William P. Hoehn Post will devote a large part of the day to the graves of all-service men in Mount Moriah and Holy Cross Cemeteries and will hold a memorial service at the grave of Ensign William Fawcett Bellah in Laurel Hill.

Forty-four posts have filed applications with City Council for an appropriation of \$187 to defray expenses for Memorial Day ceremonies and decorations. Each post that applied named from one to four cemeteries in which it proposes to officiate, and filed the names of its finance officers, who are headed by Naval Post No. 107. It has arranged appropriate exercises for the day and will take over the work from Naval Post No. 400, G. A. R., which long held memorial services for the naval dead in Philadelphia. In the services this year Post 107 will be associated with the Fourth Naval District Post, No. 195 and Yeomen (F. I. Post No. 54).

The Ladies' Auxiliary of the Henry L. Schmidt Post, No. 180, will give a coffee party at the post headquarters, Second street and Susquehanna avenue, tonight. The auxiliary plans to serve refreshments to the marchers after the parade on Memorial Day.

Two hundred members and friends of the Ladies' Auxiliary of George F. Baer Post attended the auxiliary's spring dance at Woodvale, Wissahickon, May 18.

A supper will be given the Elwood P. Tice Post by the Circle Club of Westville, N. J., Wednesday evening. The post will take an important part in its Memorial Day exercises.

TURATTI WAS GIVEN BIGGEST PLURALITY

Italian Socialist Chairman Is Supported by 100,000 Non-Socialists

COALITION WINS 221 SEATS

By the Associated Press
Rome, May 20.—Final reports of the Parliamentary elections in Italy last Sunday show that the coalition parties will hold 221 seats in the next Chamber of Deputies. The other political parties will be represented as follows: Fascist (Extreme Nationalists), 28; Agrarians, 22; Socialists, 123; Catholics, 106; Communists, 15; Republicans, 9; Slavs, 5; Germans, 4.

Deputy Turatti, chairman of the Intransigent Socialists, was re-elected by the largest plurality given any of the candidates, the final returns show. He received 251,530 votes, indicating that he was supported by more than 100,000 non-Socialists. His vote was five times that of the ordinary victorious candidates.

The election of Slav and German Deputies raises the question of the language to be used in the chamber. The official language is fixed by statute as Italian, but Italian and French are at present allowed when Deputies from provinces in which French is spoken take the floor. The Giornale d'Italia, in commenting upon the admission of the Slav and German languages, says: "It may be seen at first sight that the use of the Slav and German languages must be admitted in the Italian chamber when Deputies coming from territories where those languages are spoken wish to make addresses."

"The French language was allowed for the convenience of Deputies from the provinces of France in Savoy, where there are no ethnical differences," continues the newspaper, "but if the chamber should allow Slav and German to be used, it would, in addition to the use of the chamber, Babel of tongues, be employed by the Deputies using it as a mark of protest and as signifying the contempt of Deputies from the provinces of France in Savoy, where there are no ethnical differences."

IT IS unusual these days to get the highest-grade chocolates for only ninety cents a pound, but this is what is offered by the Kruse Stores, 102 South Eleventh Street, just two doors below Chestnut, and at 4903 Baltimore Avenue. These candies are of the finest quality; delicious chocolate with twenty-six different kinds of centers. Besides these regular candies the Kruse Stores have specials every week-end. It is really foolish this hot weather to bother making fudge when Kruse is selling chocolate fudge, which is more creamy and delicious than the home-made variety for forty cents a pound on Friday and Saturday. The usual price is fifty cents. And, think of it, peanut brittle will be sold at twenty-five cents a pound. All orders should be sent to the Baltimore Avenue store.

DO NOT hesitate to give silver for a Wedding Gift because you think you cannot afford it. There are many small and inexpensive gifts of silver with which to please the bride; bonbon dishes, card trays, serving spoons, forks and knives of various kinds. If one knows that the family's gift to the bride has come from the store of Bailey, Banks & Biddle Co., whether it be a magnificent chest of flat silver or a silver service, he is able to supplement it with one or more pieces of similar design which will be particularly appreciated. For many years discriminating people from all parts of the United States have been buying silver from this company because they know that nowhere else will they find so important a collection.

SWEET, juicy, refreshing South African Melons! A huge shipment, the first to be sent direct to Philadelphia, has arrived at the store of Henry R. Hallowell & Son, Broad Street below Chestnut. They are the finest of the kind, and are much less expensive than usual at \$1 to \$2. The shining black and white cherries from California are most luscious. Since last week their size has almost doubled. Another fruit which attracted my attention was the immense Cabazona Pineapples, some weighing as much as ten pounds and ret. only \$1 each. These fruits, as well as many others unobtainable elsewhere, may be sent through Hallowell's guaranteed perfect delivery service anywhere within 1000 miles of Philadelphia.

a wish not to recognize the authority of the Italian nation."
The commentators believe it is certain that the Germans and Slavs will attempt to speak their own tongues, thus forcing the chamber to recognize these languages.

LAST SIOUX CHIEF BURIED

Indian Chanting Dances and American Legion Ceremonies Blended
Canon Ball, N. D., May 20.—(By A. P.)—With all the ceremony accorded a chieftain in bygone days, Albert Grass, last chief of the Dakota Sioux Indians, who was killed while fighting in France, was buried today. Mingled with the Indian rites were services of the American Legion and religious ceremony of the local Catholic church. Several thousand Indians attended.

The final resting place for the young chief is Holy Hill, a spot sacred to the Indians, where the last great sun dance of the Sioux was held. Grass' body reached here from France this week.

The White Horse riders had charge of the Indian ceremonies, consisting mainly of chanting dances, which lasted throughout last night. Major A. B. Welch, the only white man to be adopted by the Dakota Sioux tribe as a blood brother; the Rev. A. T. Tibbets and Claud Killspotted delivered eulogies.

LENINE AND TROTZKY SPLIT

Differences of Opinion Reported in Dispatch From Helsinki

London, May 20.—(By A. P.)—A Helsinki dispatch to the Central News today says that sharp differences of opinion regarding the composition of the Russian Soviet Government developed between Premier Lenine and War Minister Trotsky at this week's meeting of the Soviet Council.

According to Moscow reports, the dispatch adds, Lenine advocated the inclusion of representatives of other than Bolshevik parties, but Trotsky severely criticized the suggestion and requested adjournment of the debate.

CUBA INAUGURATES ZAYAS
Rival in Bitterly Contested Election Pledges Co-operation
Havana, May 20.—(By A. P.)—Dr. Alfredo Zayas, upon assuming the office of President of Cuba today, was cheered by a cablegram from General Jose Miguel Gomez, his opponent in the bitterly contested election of last November, extending his felicitations and promising his co-operation.

The Liberal Party, of which General Gomez is leader, engaged in a "legislative strike," following the announcement of the result of the election. General Gomez is at present in New York, and his cablegram was considered an indication that his party will now actively participate in the Cuban Government.

Negotiation of a new commercial treaty with the United States was approved by Dr. Zayas. As means of solving the acute financial stringency advocated an extension of the moratorium; aid for banks by the issuance of adequately guaranteed paper currency and formation of a co-operative organization of Cuban banking institutions.
