Things You'll Love to Make

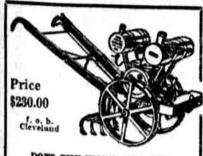

Saches still hold their own! Therefore you will be interested in this SASH ORNAMENT. Cut a bias band of silk four inches wide and twelve inches long. Turn in each edge one-quarter inch. Stitch a band of ostrich trimming along the underside of one edge. Fold the band of silk in the center lengthwise and stitch the plain edge over the trimmed edge. Cut a circle of buckram four inches in diameter. Fasten the sash to the center as shown. Tack one end of the band over the sash, after gathering it in. Twist the band around to cover the buckram, bringing it under the sash. Tack the band here and there to the buckram. Finish the center of this lovely SASH ORNAMENT with a small silk-covered, bead-trimmed circle of buckram.
