**THE WONDER FEATURE** of the Anniversary Sale to-morrow will be our presentation of a number of large special purchases of Men's and Young Men's Suits at far below present value, and far less than it would be possible to sell them regularly at present replacement cost. The Anniversary Sale prices on the larger groups average about **ONE-HALF** the prevailing prices of last year. We have made greater preparations than for any former Anniversary Sale—**SIX THOUSAND SUITS**, and hundreds of Top Coats, Raincoats and Trousers. The Suits are from our regular sources of supply—the Stein-Bloch Co., Hart, Schaffner & Marx, the "Alco" shops, also the makers of our "Wickham" line, and other reliable manufacturers.

The Men's Clothing Store will be open at **EIGHT O'CLOCK** to-morrow morning, for the convenience of the many men who must be at their offices at nine o'clock. Come to the doors at Market and Eighth Streets. We have planned to give quick and efficient service.
