

In the Strawbridge & Clothier Anniversary Sale Half a Million Yards of White and Colored Cotton Dress Fabrics at About One-half Former Prices

HALF a million yards! An unprecedented quantity of this season's fresh new Cotton Fabrics gathered from home and abroad for the Anniversary Sale. Never before have our customers had such a marvelous opportunity to buy such Dress Cottons at such savings. Most lots are on sale at half last year's prices for the same kinds and qualities. All are from one-fourth to one-half less than prices on the same grades earlier this season. And every piece in the Sale is new, fresh merchandise, this year's distinctive weaves, patterns and shades. The list is so large and so comprehensive that we can merely indicate here the extraordinary savings for all who share in to-morrow's economy event.
