TACONY FARE RISE DECISION DELAYED

NEAR CRISIS, SAYS ROAD

The matter of increased fare on the Frankford, Tacony and Holmesburg Railway Co.'s lines will be taken up by the Public Service Commission at its next sitting at Harrisburg. This was decided upon this morning by Public Service Commissioner Clement, who heard arguments for and against the proposed increase from six to eight cents a ride.

proposed increase from six to eight centa a ride.

The traction company was represented by William W. Montgomery, who said the road must be permitted to charge eight cents a ride or five tickets for thirty-five cents, or a receiver would be needed. He also urged that the road have permission to charge the new fare within three days.

Mr. Montgomery also said that it was the purpose of the company to dreate two passenger zones on the road. This would mean, it was pointed out that it would cost sixteen cents to travel the four and one-half-mile line.

James A. Alcorn, who appeared for the Holmesburg Improvement Association, opposed the requests. He pointed out that in certain places along the line the F. T. and H.
