"HOT ROASTED PEANUTS" Thousands of Bags More Than Roasted in Fire

Thousands of bags of peanuts to-gether with quantities of peanut oil, were destroyed last night in a fire which swept the fourth floor and roof Birdsong & Co.'s peanut warehouse, 4 North Delaware avenue, and which gave the firemen a spirited fight before the flames were extinguished.

Two alarms were sounded, and the freboats Ashbridge and Stuart held in reserve in the river off the Vine street wharf.

The fire started on the fourth floor

from some undetermined cause, and was eating its way to the roof when dis-

covered. The firemen were handicapped when their hose burst several times, and they were forced to carry lines over adjoining roofs in order to get the right range on the blaze.
