# Be Free to Bring Your Friends In at Any Time, Just to "See the Sights"

**A Very Wise Citizen of Philadelphia, Not Now Living** except in what he said and did, had the greatest abhorrence of the waste of time and labor upon "gimcracks" that had no practical usefulness to compensate for the money and time spent upon them.

His controlling idea was a principle that nothing was good or beautiful but in the measure of its usefulness, though almost all things might have a utility under extraordinary circumstances.

Humanly speaking, how can there be any truer source of happiness and of honest independence than from living an unwasted life?

[Signed]

## New Imitation Jade Necklaces Are Strikingly Pretty

And there is a marvelous number of the new gowns in this color that they would go with charmingly.

A novel touch of these necklaces is that the chain is gold plated in a green gold finish and the combination of the green and gold colors is unusually good. They are quite long and finished with a tassel or pendant, \$6 to \$9.

(Jewelry Store, Chestnut and Thirteenth)

## Nothing More Fashionable Than Printed Silks

Printed pussywillow taffetas, radiums and foulards—no silks of the season are more favored, either alone or with filmy draperies.

New lower prices on printed pussywillow taffetas and radiums of fine quality. Black, navy or brown grounds, printed in white or colors, 40 inches wide. Priced \$3.50 a yard.

Foulards in desirable color combinations, 40 inches wide, at \$2.50 a yard. 36 inches wide, at \$2 a yard.

(First Floor, Chestnut)

## Charming New Handbags of French Jacquard Silks

French jacquard silk is the newest silk used in handbags. We have some bags made of this fabric in black and navy and in distinctive designs. Most of them have engraved gold-finish frames or clasps, and most of them have inner frames and are daintily lined. Prices are \$5.50 to \$16.50.

(Main Floor, Chestnut)

## Slippers of Gold and Silver Brocade

These pretty slippers came to us in such a way that we can sell them at about a third less than anything else of the kind we have had.

Their price is \$14 a pair. Made of rich brocade, in gold or silver, as you like. One instep strap buttoned at side. Low French heel. Light turned sole. Medium round toe.

Very unusual value, indeed.

(First Floor, Market)

## A New Silk Sweater With Youthful Lines

It is a slip-on sports style with V-shaped neck in front and high in the back and it has turn-back cuffs and a belt. You can see in a moment how well it would look on a slight figure, and it is short enough to be very very smart. In pure silk—white, henna, russet, navy, brown, purple, honeydew and black, \$30.

(First Floor, Central)

## 4000 Yards Ramie Linen Special at 75c a Yard

Another shipment of the imported ramie linen with the price so low that it carried out the entire first lot before the day was over.

It is 45 inches wide and a good weight for women's suits, skirts and dresses. In Copenhagen, light blue, pink, rose, navy and white.

(West Aisle)

## New White Tub Skirts and All Less in Price

Three of the prettiest new styles in white gabardine with much smaller markings than when they were here before.

They are all sports models, that is a plain front and gathered back and a button-trimmed belt. Each one, however, has a different kind of pocket. The tailoring and finishing, even to the hand-piped button-holes, is of the best.

The new price for all three models is \$7.75.

(First Floor, Central)

## \$5 Silk Umbrellas for Women

We can't keep enough of this particular kind. They have eight-rib paragon frames, covers are garnet, blue, green, purple, taupe and black. Their ferrules are blunt and the short handles are of hard wood, with bakelite rings or leather trimmings, or else they are altogether of bakelite.

(Main Floor, Market)

## Dainty New Underwear for Women

The newest glove-silk underwear we have received is of very fine mesh, which means that it is much cooler than the ordinary glove silk. All women know how easy it is to launder this fabric and that, although silk, it is as durable as most cotton underwear.

The following garments are in a beautiful shade of rose pink: Bodice vests, \$3.50. Bloomers, \$4.50. Union suits, \$7.

(First Floor, Market)

## How Good a Jersey Suit a Woman's \$25 Will Buy

can be demonstrated very much to her satisfaction tomorrow in the Women's Fashion Salons.

The suits are made of the favorite 8-ounce jersey—the weight which is most desirable for Summer wearing, and this jersey is in delight-

ful pastel shades, besides heather, brown, oxford, navy and black. And there are ten styles of the suits in 34 to 46 inch sizes.

Such suits, by the way, seldom require any alterations except to the length of the skirt.

Price \$25.

## No Woman Objects to a Price-Lowered Hat

Especially when there are months of wear yet before it. Many will find just the hat they have been wanting among our early-season millinery that now bears lowered prices.

Hats little and large, for all street and dress purposes

—some for so little that many customers will not stop at one, or even two. Tomorrow will be added a collection of sports hats—soft little shapes of ribbon or straw. They are \$2.50, \$3.50, \$5, \$6 and \$7.50, which is a third to a half less than before.

(Second Floor, Chestnut)

## Dainty Cotton Frocks for Young Women—\$7.50

This price is so little for such delightful dresses that we emphasize it. For most of them you would expect to pay a good deal more.

Dark or light voiles, fashioned so daintily one would think a careful dressmaker had made them. Fine voiles, they are, too. And ever so pretty patterns. Most of them finished with silk sashes.

Ginghams, too, as fresh as flowers. The styles are good. And the collars and cuffs dainty—not at all cheap looking.

At \$7.50 many a young woman will wish to gather up several of them. Sizes are 14 to 20.

(Second Floor, Chestnut)

(Fifth Floor, Market)

## Whether a Man Wants a Tropical Suit or a Regular Suit

he will find our Men's Clothing Store equally ready to serve him.

Our men's tropical suits are as fine in their way as are our men's regular suits.

We could say nothing better of them or nothing truer. And it is worth knowing that in the whole category of men's clothing there is nothing more satisfactory than a tropical suit of the right kind, and nothing so peculiarly unsatisfactory as a tropical suit of the wrong kind.

The difference is in the making or in the fabrics or both. The best of tropical fabrics need to be well tailored. What then of the inferior kind? Not even good tailoring can redeem them. This goes to show that in tropical suits the only quality worth considering is the best.

The Wanamaker Men's Clothing Store has no use for any other kind. Neither should any man who knows the value of money.

Palm Beach suits, \$20 and \$22.50. Tropical suits and coolest worsteds, \$32 to \$40.

Mohair suits, \$25 and \$30.

Knitted sports coats, \$20.

White flannel and striped flannel trousers, \$12.

Blue flannel sports coats, \$10.

White duck trousers, \$3.50.

Khaki trousers, \$2. As to our regular Summer suits, the most that any man will want to know is that they are as fine as they have ever been, which means that there are none finer at the prices, \$35 to \$65. Youths' suits, \$25 to \$40.

(Third Floor, Market)

## Seersucker Stripes in Men's \$2.50 Madras Shirts

These are the first seersucker stripe patterns we have had at such a low price for some time.

The shirts are all soft cut, plain negligee style and are made of an excellent quality of woven madras in a good firm weave.

### Men's Foulard Ties Look Summery

in their good colorings, fanciful designs and their light weight. We have an uncommonly good assortment of these ties at \$1.50.

(Main Floor, Market)

## New Patchwork Quilts of Old Colonial Charm

Everybody knows that the old-time patchwork quilts were made by hand. These are manufacturers' patchwork quilts but they have all the quaint old-fashioned charm of the Colonial kinds.

The designs are copies of the real old-fashioned patterns. These, however, are in two-color effects—pink and white, blue and white, yellow and white, the combination in each case being particularly suitable for Summer furnishings. They are very well made, closely stitched and carefully finished.

In size 2x2½ yards, at \$13.50 each, a moderate figure for such distinctive and excellent bed coverings.

(Sixth Floor, Central)

## Imported Straw Rugs at a Fourth Less

These are the straw rugs we had made in large and contrasting color blocks in order to be able to provide inexpensive Summer rugs in the block pattern so much liked in the higher-priced rush rugs.

9x12 ft., \$9.75 3x6 ft., \$1.75

## The Only Fireless Cooker Many Women Will Have

Two classes of women do not have a Domestic Fireless Cooker. One class has not yet learned the immense advantage of cooking by the fireless process—how perfectly it roasts, bakes, boils and steams, without fuel, without any attention after the food is once put in. The enormous economy in time, fuel, heat and conservation of food, by this method of cookery must surely commend it to any woman who has investigated it.

The other class of woman does know how good fireless cooking is, but is not aware how entirely superior a cooker the Domestic Science is.

It is this we should like to show you. Please come see how it cooks, and allow us to point out its advantages over other cookers. It certainly has many!

Moreover, its introduction price is but \$35—which is much less than its regular price—for a limited time. This is the large family size.

A smaller size is \$25. No woman blessed with a Domestic Science Cooker would care for any other kind.

You will be surprised to see how many kinds there are in the Handkerchief Shop at the present time that are used for such gifts. There is no need to say that they are always most welcome.

For young men—dainty hand-embroidered handkerchiefs, others with drawn threads, initials, lace edging or point d'esprit and there are some pretty colored squares with net trimming. Prices from 50c to \$1.50 each.

For young men—novelty colors in silk or linen or white hem-stitched tapes, \$1 to \$2.50 each.
