

BRIDE'S BROTHER IS HELD IN ROW

George Mellon, Bryn Mawr, Accused of Beating Policemen at Sister's Wedding

George Mellon, of Morris avenue, Bryn Mawr, was held in \$500 bail by Magistrate Arthur J. Merion, yesterday, on a charge of assault and battery on patrolmen, who attempted to arrest him Saturday, following his sister's wedding, when it is alleged that he became abusive and forced the bridal couple, the guests and the servants to run out of the house.

Mellon is a son of the late Frank B. Mellon, a grain dealer, who was considered wealthy. He gave his sister Marian in marriage on Saturday to Frank P. O'Neill, of Melrose Park. After the wedding the guests adjourned to the bride's home for a reception, which lasted well into the evening.

Police of the Lower Merion Township said yesterday that late on Saturday afternoon they received a phone call for aid from the Mellon home. Patrolmen Albany Powers and Treston responded. Their version of the affair follows:

Mellon became abusive and ordered the bridal party, his family and the servants to get out. George Mellon, a brother, and F. Lawrence Pack, a brother-in-law, tried to restrain their relative. In the effort Pack's finger was broken.

When the police arrived they found family, guests and servants at one end of the driveway. Young Mellon occupied the center of the lawn and flourished a heavy oak chair, defying all in sight. Patrolman Albany grappled with him and they rolled down the lawn, but the policeman succeeded in handcuffing his man.

Books of All Ages
Practically every book that was ever printed has, at one time or another, passed through our hands, lingered for a while on our shelves and traveled forth again into other channels. It is remarkable, when you stop to think—the travels made by the books at Leary's. Back and forth they come and go—often the same volumes passing through our hands many times during the years we have been buying and selling books. After you've tried everywhere else and failed to find what you want, come to Leary's.
