"Moonshining" to Pay College Bills
Everett, Wash., June 17.—(By A. P.)—Clifford Coleman, fugitive from justice, today forfeited \$300 in bail money on a liquor charge here, when arrested and found in possession of two stills. He explained to the police that he had intended to work his way through college by "moonshining."

FORTY TO GET DIPLOMAS

First Chiroprody School Exercises in State to Be Held Tonight
Graduation exercises of a school of chiroprody will be held for the first time in Pennsylvania tonight when forty graduates of the Temple University school will conduct exercises in the university building, Broad and Berks streets. Dr. Wilmer Krusen, vice president of Temple University, will preside. The diplomas will be awarded by Dr.

F. A. Thompson, dean, and addresses will be delivered by Dr. Arthur B. Kurtz and Dr. R. R. Willoughby. Temple University School of Chiroprody is the only recognized school of the sort in the State.

RIGHT after overhauling, or when you first use the new car she's as smooth as oiled silk. How long will it be until the power begins to go bad, the engine knocks now and again, bucks when you throttle down, overheats on a hard pull?

Such premature troubles have a cause. Under the intense heat of your engine—200° to 1000° F.—ordinary oil forms black sediment. Sediment damages vital parts. See the long list—19—shown above.

Treat your engine fairly. Let the parts keep smooth and bright. Over a million motorists keep their engine running smoothly by using Veedol, the lubricant that resists heat.

Sediment is reduced 86% when you use Veedol. With Veedol in your engine costly replacements, bearing wear, valve troubles, are all held down to minimum. Have your engine flushed out to cleanse it of grit, sediment and thickened oil. Put in Veedol. Leading dealers have it in stock. Ask today for a supply of Veedol.

Veedol lubricants for every part of the car
Use Veedol lubricants for all parts of the car: VEEDOL for the engine (light, zero, medium, heavy, special heavy; extra heavy); for the differential and transmission, VEEDOL TRANSGEAR OIL, or GEAR COMPOUND; for the tractor and truck, WORM DRIVE OIL; GRAPHITE GREASE; CUP GREASE.
