WHAT'S WHAT

By HELEN DECIE

When, as is the case with American Independence Day this year, a holiday falls upon Monday, the weekend visit takes in three days—Saturday, Sunday and Monday.

As an adult should have charge of the fireworks for the evening celebration, it is criminally foolish to allow children to handle these explosives.

My Dear Mrs. Wilson—Will you please tell me how to make Russian salad dressing? Thank you.

Select a small raw carrot, raw beet, raw onion. Grate these vegetables and then add: One cup of mayonnaise.

My Dear Mrs. Wilson—Will you kindly give recipe for buttercream, such as confectioners put over the cream sundae. I think it is delicious and should be glad to know how to make it.

That's all Mrs. Cora Scovill, of New York, uses. Rags—just the common, ordinary, attic-and-cellar variety of rags that 999 women out of every thousand would think were good for nothing but to throw away or sell to the ragman for a couple of pennies a pound.

Adventures With a Purse

THE successful hostess gains for herself that reputation because she is always attentive to the little things.

She has her guest-room cool and inviting for the weary, bedraggled traveler, and she realizes that the unusual has an appeal. And so she is always glad to learn of something new and different.

I saw a very attractive pair of bathing slippers of black satin with white rubber soles. Two straps fasten with a shiny brass buckle over the instep and keep the slipper firm.

Summertime means an extra supply of nighties and underwears. If you make your own underthings, you'll be interested in the nightgown and camisole tops that can be bought all made and ready to attach.
