GIRARD America's Foremost Cigar Never gets on your nerves.

WOULD you select an inexperienced person to look after your estate and your family's interests?

On the other hand, are you thoroughly capable to act as executor and trustee of your friend's will, possibly face a year or more of hard work, assume many responsibilities in managing or liquidating a business, collect accounts, pay taxes, render account to the court and attend to many other exacting duties? These things an executor must do.

Let us send you a copy of "Safeguarding Your Family's Future," which will clearly prove to you the wisdom of selecting this company as your executor.
