Many People Have Said They Found It Cooler in This Store Than at Home

Responsibilities Gravitate Toward Persons Who Know Most

Young people seem to be unconscious of this actuality.

Yet it is true that in all places where many are employed there are vacancies constantly occurring which require the continuous thinking of chiefs of sections to make choice of the best qualified and most worthy of promotion.

Sometimes careless employes by their unsteadiness and foolishness innocently lose a good chance and do not understand why and wherefore.

Only \$15 for Women's Cool Linen Suits

And that is a saving of \$5 on their original price—which is worth thinking about, particularly if one is buying for the coming holiday.

They are excellently cut—with finished seams and the new close shoulders—from strong ramie linen, in oyster white, russet browns, flax blue and navy blue. There are half a dozen styles; the coats are variations of the straight type, the skirts straight, and the sizes are 34 to 42.

Enough for seventy-five women.
(First Floor, Central)

The latest bar-pins are of sterling silver set in gallery effect with square-cut stones—imitation emeralds, amethysts and sapphires. They have safety catches and prices are \$2.50, \$3 and \$3.50.

(Main Floor, Chestnut)

The Women's London Shop

Other sports skirts of white flannel with colored bindings are \$27.50; of all-white flannel cut circular and trimmed with buttons, \$45.

White linen skirts of the circular type—fine for tennis and golf, \$22.50.

The new high-necked slip-on sweaters of Iceland wool to be worn with Peter Pan blouses are \$16.50. Other slip-ons of the same wool have high and low necks and cost \$25.

Also the London Shop is showing the new sleeveless sweaters of knitted sweater material—tan and plaid, bound with bright colors, \$25 to \$37.50.

Felt sports hats in bright colors—hardly two shapes alike, \$12 to \$17.50.

(The Gallery, Chestnut)

This Is a Specialty Shop for Young Women's Gingham Dresses

One result of the sleeveless dress is the guimpe dress. Here it is in checked gingham with a guimpe of fine white organdie, providing the thin and short sleeves needed and the becoming collar finish.

The frock is most carefully and attractively made. It has a broad sash and fine pearl buttons. The guimpe extends to waistline, and is finished on collar and cuffs with gingham to match the dress.

Choose blue-and-white check, pink-and-white, brown-and-white, lavender-and-white, black-and-white, green-and-white, red-and-white. The price is \$14.50.

This is but one example of the many delightful and distinctive gingham dresses here in 14, 16, 18 and 20 year sizes.

They are "specialty shop" dresses—by no means of the mediocre average type.

And their prices start at \$7.50.

(Second Floor, Chestnut)

These Are the White Sports Shoes Women Buy

Those who want an inexpensive white shoe for tennis and other sports choose our white canvas lace oxfords with white rubber sole and wedge heel, an excellent shoe for \$7.50.

Something at every price for those who want Summer play footwear.

(First Floor, Market)

SOME new white voile waists have a striking quantity of real trims lace upon them in the shape of front frills or collar trimmings. The lace is uncommonly fine, and the prices of the waists are \$5, \$7.50 and \$10.50. All three styles have short sleeves.

A Good Place to Buy

Musical Instruments

Do you know that more people today are studying the violin than ever before?

Do you know that the same thing is true of the other popular instruments of music?

Yes, musical education and cultivation are being extended to a notable degree, and instead of individual musical ambition being quenched or retarded by the popularization of instruments of musical reproduction, as some of the earlier conservatives predicted, these, in a new sense of the word, have "played into the hands" of Calliope, the Muse of Music.

And do you know that our Music Store carries an exceptionally well-furnished stock, in guaranteed qualities and at fair prices, of

- Violins Ukuleles
- Banjos Flutes
- Auto Harps Guitars
- Mandolins Clarinets
- Saxophones and Other Brass Instruments.
- Drums—Tenor, Bass, Snare and Trap.

The outfitting of bands is our specialty.

Another specialty is high-grade guaranteed violin strings (for which mail orders will be filled).

As for violins, the beginner, the professional and the semi-professional alike will find an admirable choice of suitable instruments.

(Second Floor, Central)

A Player-Piano by the Fourth of July

Yes, you can get it and have it in your home in time for the music that is so essential to the success of the holiday.

And there won't be a Summer evening that you will not be glad you have it at hand for that refreshing "bath of music" which Oliver Wendell Holmes prescribed for every man and woman.

The Lindeman Player-Piano

an evolution of the well-known Lindeman piano that has been famous for eighty-six years, is a fine player-piano and a fine piano in one. It will more than meet every need for music in the home.

And its special price of \$525—which is \$225 less than usual—makes it a player-piano opportunity not now to be overlooked.

The choice in white painted garden furniture includes chairs, rockers, tables, benches of different kinds and other individual pieces. These are now marked at \$12.75 for a plant box up to \$58 for a seat.
