

SCHOOLS AND COLLEGES

SOUTHERN CHIVALRY and MILITARY TRAINING
combined with thorough academic instruction in the historic Southland. These schools have attained a nation-wide reputation.

MESSAGE FROM DR. EDWIN C. BROOME

Young people who are drifting along without taking advantage to prepare themselves for the future are making a serious mistake. My advice to every boy or girl is to take advantage of all possible opportunities to extend their education. A few hundred dollars expended now will produce the finest dividends in the future of any investment that could be made.

The Harcum School for Girls

IN BRYN MAWR, PA. (10 miles from Phila.)

For girls requiring college preparation, a thorough course is offered. For girls not going to college, the school offers special opportunities to pursue studies suited best to their needs.

For girls desiring to specialize in Music or Art, there are well-known artists in all branches of these subjects.

Day School

Many requests have come to the Harcum School to enlarge its primary department for little girls and boys, beginning with the first-year work. In accordance with these requests we now have a large sunny room with all necessary facilities for these younger pupils.

Special Day School Privileges for Girls Preparing for Bryn Mawr or Any Other College as Well as Those Seeking a Course in Music or Art.

Girls from Philadelphia and suburbs are able to come to school in the morning and return to their homes in the afternoon.

FISHBURNE MILITARY SCHOOL

An English, Classical and Scientific School which prepares boys and young men for college, university or for business life.

With its \$200,000 specially designed, fire-proof building, and with its up-to-date furnishings and appliances, Fishburne is now one of the best equipped military schools in the South.

Located about four hours from Washington in the beautiful "Valley of Virginia" near the headwaters of the Shenandoah River.

From its splendid campus, 1500 feet above sea level, a view of hills and the Blue Ridge Mountains is obtained which structures with its beauty. Excellent water, pure, light air and good drainage give the school a notable health record.

Classes are held purposely small, the average being from 4 to 15. The large and able faculty are thus enabled to associate intimately with students and give individual instruction. Base \$500. B. S. T. C. under War Department. Annual Spring Encampment near famous resorts.
