

**DREAMLAND ADVENTURES**  
Fairies at Work  
By DADDY

**CHAPTER I**  
Fairy Fun

Peggy and Billy found it the jolliest kind of sport fitting with the fairies. As soon as they learned how to use the wings made for them by Legs, the spider wing-maker, they darted hither and thither as freely and as fast as any of the joyful little fliers.

"Come on! Let's have some fairy fun," cried Flitter-Flash, the handsome young fairy leader. He sped away gaily among the tall trees and the others followed him.

"How do you do, pretty fairies?" chirped the birds as the little folks flew past the nests in the bushes.

"How do you do, sweetest stagers?" answered Flitter-Flash politely. "Will you please make music for our guests, Peggy and brave Billy?"

The answer of the birds was a burst of charming song which filled the whole forest. To this music Peggy and Billy danced. They liked dancing in the air even more than dancing on the ground. They didn't have to bother about their feet stepping on the toes of any one else, and besides, their legs didn't get a bit tired.

They danced through the forest and across the plains beyond.

"Are you thirsty or hungry?" cried Flitter-Flash to Peggy and Billy.

Yes, Peggy and Billy were both thirsty and hungry. So Flitter-Flash darted into a tree loaded with sweet golden oranges. Peggy and Billy gobbled up an orange prepared to drink its juice and eat its pulp. But they found they were too tiny, now, to eat

oranges as they always had. They couldn't bite a hole in the skin, nor could they peel it off.

"I'll show you how to get the pulp," laughed Flitter-Flash. He pulled a long dagger from his belt, and this he drove through the orange skin. When he pulled the dagger out, the juice spurted after it. Peggy and Billy drank this juice as they would drink from a bubbling fountain. They found the orange juice delicious, and it was drink and food.

After the fairies had stepped to their hearts' content, they fitted on over hill and dale in a gladsome game of tag. Peggy and Billy enjoyed the game they enjoyed darting here and there and everywhere; they enjoyed the flowers, the trees, and the singing birds.

"Isn't it wonderful to be a fairy?" whispered Peggy to Billy.

"Yes," agreed Billy. "But I wonder if they ever have any real boy fun. I'd like to go swimming."

Flitter-Flash and the other fairies followed Flitter-Flash and Billy. They swam and they found that fairy swimming was as jolly as boy and girl swimming.

So they played on and on.

"I wonder if this is all the fairies do—just have a good time the whole day long," said Peggy.

"Oh, we have work to do," laughed Flitter-Flash. "But fairy work is fairy fun."

"I wish you would show me how you work," said Peggy. And she got her wish almost at once. There came a cry from the jungle—a cry as of a frightened baby.

"Oh, we have work to do," cried Flitter-Flash, darting toward the jungle. "You can come and help us."

What made the strange cry will be told tomorrow.

**LITTLE BENNY'S NOTE BOOK**  
By Lee Pope

Pop was smoking and thinking and I was just thinking, and I sed, Hay Pop?

Hay yourself, sed pop, and I sed, Hay pop, what are you thinking of getting me for my birthday?

To tell you the truth my thwats haven't bin running in that direction at all, my mind is so full of petty personal matters that I have practically no time to devote to big public questions, sed pop.

Being sourestic, and I sed, Well hay pop, will you get me one of those punching bags that goes up on the ceiling? They only cost \$20 and Puds Simkins has got one so has Sid Hunt and so has Leroy Shooster.

Sounding like a pretty good one of an argument, and pop sed, Are you quite sure those boys all have one?

Yes sir, I'm so sure I'm positive, I sed.

Well then you can take terns using them and avoid having the noise around the house, sed pop.

Me thinking, Heck. And I sed, Well then hay pop how about a bewgie no I can len all the bewgie calls. None of the fellows have got a bewgie, pop, so I'll be the only one has one.

Do you mean to say not a single one of the boys has a bewgie? sed pop, and I sed, No sir, nobodys got one and I would make me the only original one.

It duzzent do to be too original in this world, people are libel to misunderstand you, sed pop, and I sed, Well then G, goah, pop, cant I have a bewgie for my birthday?

No, sed pop.

Proving sometimes no argument is any good.

**WILL BLESS STATUE**  
St. Ann Exercises to Be Held Tomorrow Morning

Exercises in connection with the blessing of a newly cast statue of St. Ann will be held tomorrow morning at 10 o'clock at St. Ann's Roman Catholic Church, Memphis street and Lehigh avenue. This occasion will also mark the Feast of St. Ann and a solemn high mass will be celebrated by the rector, the Rev. Matthew A. Hand, in honor of the event.

The statue, which now stands in front of the main door of the church, will be permanently placed in a niche at that point a few days after the ceremony. The church recently celebrated its fiftieth anniversary, and the rector, who also recently observed his twentieth anniversary as head of that church, was instrumental in raising a fund of \$3000 among the parishioners to build the statue.

Made of bronze, the statue is eleven and a half feet in height. It depicts St. Ann with a scroll across her outstretched arms looking down on the Blessed Virgin and her child.

# Wanamaker's Down Stairs Store

## Much of Real Charm About Frocks of Imported Organdies and New Silks \$10 and \$15

They have distinction and charm, two things that women who know how to dress well always consider. They combine beauty of material and beauty of line. They are "different" from the average run of dresses and, decidedly, one expects frocks of this sort to be priced more than \$10 and \$15. One's expectations would be reality if this were not Wanamaker's Dress Store where unusual dress values are the usual thing!

Included are finer frocks of imported organdie or of organdie and dotted Swiss combined, sports models of fine crepe de chine, exquisite hand-made French frocks in many models and colors and crepe de chine frocks in pastel shades. Most of these have been considerably higher in our own stocks, others are new and special.

**New Crepe de Chine Slip-ons, \$20**

The style is sketched and the silk is heavy and has that dull luster which denotes quality. In navy or black, trimmed with many small pearl buttons.

**Great Reductions on Summer Frocks \$2.50, \$3.50, \$5, \$6, \$10**

Voiles, ginghams and organdies—figures, stripes, plaids, checks, plain colors and white—could wish for no greater assortment! All the seasonable and fashionable styles are well represented. Some need a pressing (prices have been lowered proportionately), but many others are spick-and-span.

**New Slip-ons at \$1.50**

These will go out quickly! Of white linene, good quality, with V necks and well-cut armholes and pockets trimmed with pink or blue checked gingham.
