Will the Shantung question come up?
Certain factors operate against its doing so. Shantung and shantung the prescribing of beer by doctors.

The Commissioner also is working out the final form the beer regulations doing so. Shantung went to Japan in accordance with secret treaties with England, France and Italy when Japan entered the war. The position of these Powers at the Paris Peace Conference was that they were bound by their treaty obligations. It will probably be the same in Mr. Harding's Far East-rn conference. If it should be the United States will be in a minority of one in wishing to raise the Shantung saue in its broader aspects.

Sought New Agreement

From authoritative sources both here and in London it is learned positively that the main object in calling the Far Eastern question to the front was to get rid of the Anglo-Japanese alliance and substitute for it an understanding among the leading nations having in-terests in the East for the preservation of peace in the Pacific, for the main-

Mahanoy City, Pa., July 27 .- Anthony Keborskie, aged twenty-two, a coal miner, died at the Fountain Springs
State Hospital yesterday from a
beating alleged to have been administered by Joseph and Peter Krick,
brothers, of Girardville. His skull
and three ribs were fractured.
Two mine drills covered with blood were
found near the Mahanoy Creek where he of them almost instantly, when a shut-tle car on the Abbey avenue viaduct the car on the Abbey avenue vianuet and an automobile crashed head-on shortly after midnight, were identified this morning. One family was wiped out when John M. Francyk, forty, a garage owner; his wife and their two children. Edna Mary, ten years old, and Theodore, nine months, were killed. The fifth person killed was Mrs. Anna Branloff, whose husband, Max Branloff, was seriously injured.

Each of the dead suffered a fractured skull. The cause of the accident, according to police, was the operation of a shuttle car east on westbound track, the westbound track being under repair. The motorists were westbound, and when they saw the street car on the westbound track they apparently thought it was traveling in the same direction as the automobile. The automobile in which the two families were riding had been left in Francyk's garage for reand an automobile crashed head-on was discovered unconscious.
