Meeting of City Organization
Friday Expected to Give Them
Right to Membership

### ALSO ALL OFFICES IN BODY

Full recognition of the eligibility of men for membership and offices in the Republican City Committee will be accorded at a special meeting of the central body. Friday afternoon, at 2 o'clock. A call for the meeting was cent out today by Harry C. Davis, executive director.

It is probable, according to information available, that the City Committee, unlike the State Committee, will amend the rules so that women will be eligible for any office in the organization.

Women's First Primary

The City Committee, in the afternoon meeting, will discuss campaign plans, with special reference to the part to be played by the women. This is regarded by the leaders as particularly important, as it will be the first time women will participate in a primary election here. They received the vote too late last year for the primaries and were only qualified to vote in the general election. accorded at a special meeting of the

he rules so that women will be engi-le for any office in the organization.

In the State Committee, women are estricted both as to membership and the offices they may hold. The State Committee's new rules provide that women are eligible only for the offices

Further it is predicted that there will be informal discussion of the suggestion in organization circles that a woman be slated for City Controller, one of the big "Row" offices to be filled in the coming elections. elections.

eyes how much lower the prices are than during the past few years. Our stock is practically all new-bought at the new lower wholesale prices, and reduced from our own new lower retail prices Besides our entire regular stock, at reduced prices, we have made greater SPECIAL PURCHASES of manufacturers' sample lines, surplus stocks and close-out lots than for many years. It is difficult to state the reductions in actual figures, because of the sweeping changes since the war, but let COM-PARISON of Furniture and prices in the various stores be your guide. We have the utmost confidence values in the Strawbridge & Clothier Sale.

Selection may be made to-morrow or Friday, and the transaction dated August 1st, when the Sale begins.

NOTE: Furniture needs often mature before ability to pay. To meet this situation we have perfected a DEFERRED PAYMENT PLAN—the most convenient and most practical of its kind, yet of a dignity characteristic of this Store. The salesmen will be glad to tell you more about it.
