BRITISH AGAIN DENY PARIS SILESIA PLEA

French Insistence on Sending Re-enforcements Causes Surprise and Anxiety

BERLIN TO ACCEPT RULING

By the Associated Press London, July 28.—The latest French communication insisting that more troops be sent into Upper Silesia im-mediately, which came as a surprise to official circles in London, is understood to have been the subject of an important conference in Downing street this morning, at which Prime Minister Lloyd George, the Dominion Premiers and several members of the Cabinet

were present. It was stated in political quarters that the insistence of France had caused some anxiety in Downing street. After the meeting it was announced that Lord Curzon. Foreign Minister, would see M. de St. Aulaire, the French Ambas-sador, this afternoon, and that the meeting of the Allied Supreme Council

meeting of the Allied Supreme Council might be delayed again.

As a result of Lord Curzon's meeting with M. de St. Aulaire, it is understood Lord Curzon will send a reply to stood Lord Curzon will send a reply to Premier Briand, reaffirming the view that the situation in Upper Silesia does not justify the sending of more troops at the moment and urging the desirability of a meeting of the Supreme Council at an early date to deal with the report of the allied commissioners.

The French Government, in the communication handed Lord Curzon by M. As I. Audaira last night said it deemed. de St. Aulaire last night, said it deemed the council until the question of send ing re-enforcements had been decided.

Germany will abide by the decision of the Supreme Council relative to the question of the transportation of a French division across Germany to reenforce the troops in Silesia, according to information available here today.
The German Foreign Minister, Dr.
Rosen, informed the French Ambas-Rosen, informed the French Ambas-sador in Berlin last night to this effect, Germany's position being stated in a note handed to the Ambassador.

Paris, July 28.—(By A. P.)—Relations of Myron T. Herrick, the American Ambassador, with the other diplomats in Paris thus far have been almost entirely social, and as yet he has had nothing to do with either the Silesian question or the forthcoming conference on disarmament in the absence of in-structions one way or the other. Mr. council of ambassadors, but the con-versation consisted of only a few words of greeting.

MAY RECONSIDER WARD DIVISION

town, was offered by counsel at the hearing before Judge Norris Barret Gay. Germantown residents have peti-

Germantown residents have petitioned the court to set aside recommendations of a commission which surveyed the situation and advocated division of the ward because State Representative Howard Smith was a member of the body and also one of the originators of the idea.

Mrs. H. S. Prentiss Nichols, president of the New Century Club, and Mrs. T. H. Carmichael, vice president of the Women's Club of Germantown, were both interested spectators at the

were both interested spectators at the hearing.

Mrs. Nichols and Mrs. Carmichael
and the women members of both clubs were there to represent the general

absolute impartiality by the co

Robert P. Shick, counsel for petitionof the commission of which J. Lee Patton is chairman, said he was not impugning the motives of Representative Smith in having asked for division of the ward and then expecting a least one of the ward and then expecting a least of the ward and then expected as the ward and then the ward and then accepting a place of the commission appointed by Jude Stanke.

It was the petitioners desire, be said to make sure the commission would have absolutely no appearance of having shown partiality.

Mr. Shick based the request on the Ar. Shick based the request on the grounds that courts, even during Angle-Saxon times, ruled no man could sit in judgment of his own case. This was one where a resident of the ward and a

petitioner for its division had sat on commission which happened to recommend his views. Former Senator Owen B. Jenkin said Germantown residents knew the entire situation, as far as Representative Smith was concerned, long before the report was made public. He said they should have made some remonstrance at that time instead of "gambling on the

report."

If the commission's report is accepted by the court, the question will be placed before the people at the election in No. vember for final decision. It may be rejected at that time. Recommendations of the commission are not final Apparently the only objections to ap-holding the decision at this time is i an appeal were made to acceptance of the recommendations by the court, the

proposed division would not come before the people at election.

Mr. Shick said he had no objection to appointment of a new commission but he did suggest if one were created that it would be composed of men not living in that ward. In that event, he said, there would be no question of its views. Judge Barrett reserved de-
