CHAPTER V The Crows Are Plucked

NoT one of the three hungry crows paid any attention to the clatter of the monkey mothers who were chas-ing Billy and the fast-flying fairles into the jungle. Each crow wanted to get the first bite of the poor monkey baby, and could think of nothing else. "Caw! Caw! I should have the first bite because I am the youngest," croak-

DREAMLAND

ed the first crow. "Caw! Caw! I should have the first bite because I am the oldest," croaked

the second crow. "Caw! Caw! I should have the first bite because I am the bandsomest," croaked the third crow.

The crows seemed to be about to get into a row over the matter of the first bite, and Peggy was glad, for in their quarrel they might forget about blting the baby. But the crows were too greedy to waste time in quarreling. "'Caw! Caw! We will all bite to-gether," said the first crow. "When I count three all bite at once." The other crows agreed. "Caw-one!" said count three all bite at once." The Some girls stay in their rooms on the first crow, "Caw-two!" All three crows leaned over the poor baby monkey, which was now too tired to kick they work. They don't know where which was now too tired to kick them to go. away. But even if it couldn't kick any more, it could still shriek. "Caw-began the first crow. "Wa-wa"

shricked the baby monkey. The monkey mother, who was chasing Billy, heard that shrick. She stopped short. Her eyes shot toward the baby monkey. ' They saw the crows all set for

"Oo-oo-eek!" shrieked the monkey nother. She made one wild leap toward the three crows, and down she came on top of them. Her right forepaw seized the first crow just as the crow was he-ginning to croak "three." Her left forepaw grabbed the second crow and her right hindpaw nabbed the third

My, what a row and racket there was and flapped and pecked, trying to get away. The angry monkey mother squeezed and thrashed and shricked. And all the other monkey mothers who had followed to the jungle chattered ex-citedly and plucked at the feathers of the three crows.

But in all the flurry not one monke mother went to pick up and comfort the poor little baby monkey, who was Massachusetts coast, and there dis-covers that Bruce Henderson, Trix's wailing weakly as it lay in the crotch of the tree. And why did no monkey mother go to it? Because its own monkey mother was the busiest monkey uncle, has a sinister influence over the child. From the beginning Nancy clashes with him, but when he orders her to leave Miss Henderson, who has as a Relief During This Hot Weather mother of them all. She was the enc Billy had picked in the first place-the one he had tensed, the one who had based the fast-flying fairies to the Stalls Are Full of Beautiful and Succulent Fruits and Vegejungle and the one who now was cling-ing to the three crows who had wanted

eat her haby. Peggy had been glad when she saw the monkey mother grab the three crows. But before long she began to One tenspoon of Worcestershire feel corry for the three birds, bad a-they were. The mother of the baby monkey held them fast with her paws and the other monkeys snatched at their feathers. And every time a monker soutched he got at least one feather The result was that the crows were being plucked alive. Gracious, how those crows did squawk and struggle when they saw what was happening to

Mix thoroughly and then cut large bell-shaped peppers in half. Do not re-move the stem, but take out the seeds and veins. Wash in plenty of cold water. Fill with prepared mixture and round up the hole in each half of pepper. Lay the peppers in a baking pan and add one-half of a cup of boil-ing water to prevent peppers. At last they struggled so hard them : that they wriggled out of the grasp of the monkey mother, and away they lamely flapped through the trees, eager best. Green corn, when nicely cooked, bursting. Bake in a slow oven for one-is a welcome addition to the menu, and half an hour. Serve with cheese sauce. In get away with what few feathers they had left.

After them chased the fairies, laugh-Pare all soft peaches in the carrier ing at them and urging them on by and mash well. Rub through sieve and sweeten to taste. Now add "Fly away home, you crows so black."

"Fly away home, you crows so black ! Fly away home and never come back !" So song the fairles in high glee, They

### Enthusiasm

TT IS a truism that will bear constant repetition that nothing great was ever be bought in glass flagonettes, with a Monday evening meals. accomplished without enthusiasm.

Two Minutes of Optimism

By HERMAN J. STICH

Enthusiasm is the fuel that feeds the human dynamo, generating ideas, per. industry, invention, advancement.

Enthusiasm blazes new trails, charts unmapped seas, pushes ever onward and upward, promotes progress and keeps the ball of accomplishment rolling. Without enthusiasm, humans are meat ; with it, they are creators, fountains

of thought, sources of force, springs of achievement. Enthusiasm quadruples effort, rekindles ambition, energizes weary mind and

muscle, recharges exhausted brain and body batteries, whets wits, infuses under taking with hope, spirit, dash and victory,

Enthusiasm is mind-generated electricity, eating into difficulties, consuming opposition, demolishing resistance.

Enthusiasm steals marches on time, sees and seizes opportunities in the embryo, makes short shrift of the "impossible," turns toil to pleasure and pleasure to treasure, makes average men super-men.

Enthusiasm makes for warmth, for cordiality, for heartiness; it lights the torch of cheer ; it heightens the flame of fervor ; it makes you chipper as a lark, animated as a bee; it forces you forward, eager, strenuous, resolute, irresistible,

Enthusiasm scorns the bit of tradition, daily upsets established inefficiencies one physically, as well as mentally, sets up "the better way," builds skyscrapers out of Cether's entitiencies. It is but twenty-five cents a jar, but and sets up "the better way," builds skyscrapers out of Cathay's castles, polishes the silver lining on dark clouds, transmutes promise into performance.

Enthusiasm moves the world; it is the divine spark that lights the human fuse, that explodes the bomb of mechanical, industrial and intellectual attainment and leadership ; it mothers venture, nurtures persistence, fathers success,
