Two Windows In Bathroom

In the Stone-Front McClatchy Homes

A bathroom of which a $20,000 house would be proud! Built-in tub, shower, exposed plumbing, tiled, two windows. Big, bright, clean, inviting.

And that bathroom is only one of the many unusual things you'll find in a home that is full of the out-of-the-ordinary. For instance—a breakfast nook as well as a dining-room—a big linen closet in the hall with a clothes chute to laundry in basement—a built-in closet for the refrigerator—all-copper rain spouting—every step you take brings a new surprise and a delight to you.

A sample house to show you how beautifully these homes furnish. Won't you come out today and see it?

These new stone-front homes with side yards are priced at $8850. All you need is $1500 cash—and you're right on the line of the Elevated—one fare, no change of cars, and 16 minutes to City Hall. The materials of the following high-class firms are used in these homes: Haines, Jones & Cadbury did the plumbing supplies! Horn & Brannen, the lighting fixtures; Norwalk Hardware Co., the hardware; J. F. Buchanan & Co., electrical supplies; C. A. Dietz, the copper gutters and spouting. This means something to the careful home buyer.

The lots of these new homes are 25 feet wide, thus giving you the usual side yard. In addition, we have left a vacant lot 25 feet wide between each pair of homes, and give you the privilege of buying one-half of this for $500, included in your mortgage, no extra cash.

Come to our offices, 69th Street, opposite the Market Street Elevated Terminal, and let a representative show you the daintily furnished home.

Open From 9 A. M. to 6:30 P. M.
