

**TWO MEN INJURED  
IN GARAGE FIGHT**

Five Others Nabbed When Riot Breaks Up Midnight Party at Front and Oxford Sts.

**KNIVES AND TOOLS FLASHED**

Two men probably were seriously injured this morning during a general fight in a garage at Front and Oxford streets, which was stopped by the police in response to a riot call.

Those injured are Irwin Klingerman, Front and Oxford streets, who received stab wounds in the chest and back, and Eugene McEwen, twenty-three years old, 1733 Blair street, who received a probable fracture of the skull. Klingerman is in St. Mary's Hospital and McEwen was sent to the Stetson Hospital.

Five men were arrested by the police and each held in \$300 bail for a further hearing by Magistrate Glenn. A party was held at the garage, beginning at midnight. Klingerman and McEwen were not invited, but burst into the place, according to the police, and declared that the festivities would not continue without them.

Several men attempted to eject them and the fight resulted. More than a dozen men took part in the struggle, it is said, and the shouts of the combatants, accompanied by the crashing of glass, aroused the neighborhood. Knives and tools found in the garage were freely used in the scuffle.

A neighbor sent in the riot call. Police from the Front and Master streets station burst in the door. Some one arrived and a number of men escaped in the darkness. Others tried to hide under the seats of automobiles in the place.

Those arrested are John McQuade, Berks and Marshall streets; Thomas Barron, Master and Hope streets; Joseph Sellan, Front and Master streets; John Waller, Diamond and Hope streets, and Daniel White, Lehigh avenue and Hope street.

**YOUTH IS DROWNED**

Samuel Krellinson Was Trying to Recover Canoe

While trying to recover a canoe that had floated away from the beach on Peters Island in the Schuylkill near Columbia Bridge yesterday, Samuel Krellinson, 19 years old, 541 North Thirty-first street, was drowned.

Krellinson had gone to the island with several boy friends, and when he saw the canoe drifting away, waded out to recover it. He got beyond his depth and called for help. Albert Segaloff, 17, 1906 North Seventeenth street, waded out to his rescue, but Krellinson sank before he could reach him.

Park Guards Scarborough and Furman put out in a small boat and directed by Segaloff, located Krellinson's body after a short search.
