Research Bureau Head Scores Hadley for Failure to Provide Redemptions

MUST PAY HIGH INTEREST FOR COMING FIFTY YEARS

Would Have Rotan Look Into Failure to Observe Usual Precautions

LOSS MAY BE \$2,000,000

"Disregard of Stewardship" and "Poor Financing" **Among Criticisms**

Hadley Is Noncommittal on Loan Deal Criticisms

City Controller Hadley did not lose his appearance of unruffled calm today when told officials of the Bureau of Municipal Research had alleged neglect of stewardship on his part in connection with the recent issue of \$5,000,000 worth of bonds, To all questions, Mr. Hadley replied they should be referred to the Mayor and City Solicitor, who jointly arranged bond issues with When told the research bureau officials regarded him responsible as the city's financial officer, he gave all his attention to papers before him, cutting short the inter-

A neglect of stewardship worthy or investigation by the District Attorney was the description given today to City redemption clause in the \$5,000,000 of annicipal bonds sold July 19.

Frederick P. Gruenberg, director of the of trust and said it may cost the city original ruling. from \$1,000,000 to \$2,000,000 that need not have been spent

The entire \$5,000,000 issue of fiftytear 514 per cent bonds was snapped

cent. This reduction, calculated over be taken into custody and remanded a period of forty-five years, would have until be complies or pays in full the meant the saving of \$1,125,000.

A drop of % of 1 per cent in the in-erest rate would have saved \$1,500,000 a grop of 1 per cent in the interest rate would have saved \$1,500,000.

"I am anazed to learn that Judge than to Elisburg, which is about three over the forty-five-year period. Mr. Gruenberg continued, while a drop of 1 per cent would have saved \$2,000,000. Brown has ordered a rehearing in this matter. I do not believe that the brought him back after a time. About an Lour later the same man per cent would have saved \$2,000,000.

An enormous amount compared with the size of the loan itself.

Mr. Gruenberg was asked what he thought of Controller Hadley's action in falling to insert a redemption chause is the bonds.

"To put is middly, it is a neglect of trusteeship or stewardship and may be worthy of investigation by the District Attorney of some other public authority on the basis of neglect of duty in office." Are fine the matter up with Judge Brown imprivate corporations who fail to exercise due care resulting in loss to the employer would be established. The case were properly placed for the same number of the same n
