Nancy Wynne Tells of the Benefit to Be Given for Church at Cape May—Various Parties Down at Shore

Did you get all worked up yesterday thinking it was getting hot again? Well, after all, it was only warm, and so you did not have to pack up and get off to the seashore as fast as possible; you can wait a while yet. But if you are going to Cape May, for instance, you better go down this coming week so as to attend the big annual fête which every one in Cape May goes in for. That is the fête for the benefit of the Church of the Advent.

It is to be held on Wednesday, August 17, in the afternoon, and this year will be all sorts and kinds of things for sale and there will be contest dancing and original cabaret dancing done by members of the younger set who are spending the summer at the resort.

While on the subject of Cape May the George Lewises gave a dinner recently at which their guests were the Billie Simpsons, the Vail Marshes, Mr. and Mrs. Marshall Carlton and Mr. and Mrs. Walter Colton. There was great excitement at the Red Mill, for it was the first night this season for contest dancing and the prizes were won by Mrs. Satterfield, Lesbeth Boyd and Donald Leopold, Dorothy Schuster and Billy Longstreth, and finally it was announced that Alice and Alfred were the favored couple.

It was such a systematic way to fix things, she thought. You see, there are so many flowers in the garden where she has been spending most of the summer that it takes several bowls to hold all these nice picks in the morning. So, she pulled out the extra half of the garden table, you know one of those drop-leaf affairs, and put on it the wide low bowl of the prettiest pale green color, a pinky-flowered dish which was used to holding flowers to make the desk look dainty, a tiny rose vase and one or two just plain ones.
