Store Hours, 9 to 5—Store Closed All Saturday

For Thursday

Many furs are not what they seem. Inexpensive pelts are "processed" so as to appear to be—and so named!—the expensive furs of entirely different animals. Safe way is to know your store.

# GIMBEL BROTHERS

MARKET • CHESTNUT 11 • EIGHTH • NINTH

Gimbels have been Furriers since 1842. We know furs. The August Fur Sale brings exceptionally low prices for new furs for this Fall and Winter. We knew last Spring what would be fashionable, and bought with discrimination. The saving is yours. Third floor.
