Taken From Augusta Hospital, to Which It Had Been Sent

### THREE DEAD, 8 WOUNDED

By the Associated Press  
 Augusta, Ga., Aug. 17.—A masked mob forced its way into the University Hospital here shortly after 4 o'clock this morning, secured the body of Walter Smalley, a Negro who ran against eight others before he was slain by police men, late yesterday. Carrying the body beyond the city limits the mob burned it to a crisp and then returned it to the hospital.

The trouble began in a local wagon works late yesterday afternoon when Smalley killed B. T. Hightower, foreman of the shop. Earlier in the day Hightower and the Negro engaged in a fight. In the afternoon the Negro returned to the shop and shot Hightower to death.

Fleeing from the scene, Smalley fired as he ran. Mrs. H. D. Hill who found a grocery across the street, saw two men about to start the car, and she fired. The sound of a motor attracted Miller's attention, and he attempted to start the car, but he was shot in the chest. He was taken to the hospital and died.

Miller's death was followed by the shooting of another Negro, captured and taken to the hospital. He was shot in the chest and died.

Bands of armed white men quickly gathered where the shooting took place, and threatened violence against other Negroes captured on the streets was prevented by the intervention of the police.

Aviator's Successful Experiment Held of Great Military Value

Washington, Aug. 17.—(By A. P.)—A successful experiment in photography from the air, which is regarded by aviation officials as possessing possibilities of high military value, has just been conducted by the army air service.

A photographer flew from Holling Field to Camp Meade and returned a few minutes later with a plate already developed, showing clearly the parade of students attending the citizens' training course there. The plates were developed in the air and ready for printing when the plane returned to the field. Further experiments will be conducted with a view of printing the photographs in the air so that they will be ready for distribution when the plane lands.

Brakerod Route to South Lands Alabama Student in Police Court

Frank Beard, a student of the University of Alabama, started out several months ago to make a trip around the world. He was on his way to the thirty-second street and Woodland avenue police station. He declared that the rest of the trip was off and he was going home again.

He told the police he shipped to Cuba on a vessel, but the vessel returned to New York, where he was paid off. He was without funds, and after two weeks looking for work decided to return home. He went to the railroad station, climbed on the brakero's of the Continental Express and started for the South. When the train passed through this city he was seen by a brakeman and arrested. He will be given a hearing today before Magistrate Dugan.

"I only completed about 1-100th of my trip," Beard told the police, "but I believe I have seen everything. I'm cured."

A daring attempt to steal a large motorcar last night was thwarted by the quick action of Karl Miller, a manufacturer, of 1110 North Fourth street, the owner of the car, and his friend, Edward Berthold.

About midnight Mr. Miller was chatting with Mr. Berthold in the latter's home, at 428 Girard avenue. His \$3200 car, purchased but a few days ago, was parked in front of the house.

# DISABLED SOLDIERS' HOME, LEGION PLAN

Stern-Price Post Considers Citizens' Offer of \$10,000 for Building

### DISCUSS NEW QUARTERS

A new home for disabled veterans now being educated by the Vocational Educational Board is in prospect, following an offer of \$10,000 by a body of citizens to the Stern-Price Post, No. 417. A conference to consider this offer also to procure an additional \$40,000 for the erection of a post home with the veterans' building has been held at the home of Dr. Charles S. Schaffer, Seventeenth street and Montgomery avenue. Officers of the post, including Henry Simons, chairman of the post's building committee, were present at the conference.

A committee has been appointed to confer with State Adjutant William G. Murdock concerning the proposed drive for additional funds, for which approval must be obtained from the State department of the Legion.

Property in the vicinity of Broad and Girard avenue is under consideration by the Post Building Committee as a site for the home.

Kensington Post, No. 68, has purchased the property at 2303 Frankford avenue and, after alterations to the house, expects to occupy it as its new post headquarters within two or three weeks. The clubhouse will serve as a headquarters for all ex-service men of the Thirty-first Ward.

James J. Barry Post, No. 83, at its last meeting elected delegates to represent the post at the State convention in Pittsburgh in September.

Thomas F. Meehan, of the County Committee; Samuel Goldhorpe and Peter P. Zion were chosen as the delegates. The Barry Post announces next month it will rent rooms at Fifty-second and Locust streets to be used for the post headquarters.

A military funeral for Private Joseph O. Yehle, formerly of 315th Infantry, was conducted Sunday by the George H. Inhof Post from the residence of his mother, 2800 Susquehanna avenue.

The baseball team of the Elwood P. Tice Post will play the Belber Trunk and Bag Company at Westville this afternoon.

William T. Shetzline Post, No. 96, held a post excursion to the seashore last Sunday. The post and its guests went to Atlantic City in a special car.

### HURT IN CROSSING CRASH

Wilmington Man Probably Fatally Injured at Brandywine Summit

West Chester, Pa., Aug. 17.—Barney Carpenter, forty years old, of Wilmington, driver of an ice-cream truck, was probably fatally injured today when the truck was struck by a train on the Central Division of the P., B. and W. at Brandywine Summit station, the most dangerous crossing on the Wilmington pike. Carpenter was brought to the Chester County Hospital here, but his slight chance of recovery. One leg is crushed and he is badly injured about the head and body. The large truck was torn to pieces and ice-cream tubs scattered for 200 yards along the track.

### ANOTHER FIRE VICTIM DIES

Death List in Point Breeze Blaze Raised to Six

The sixth death resulting from the fire in the Point Breeze plant of the Atlantic Refining Company, Sunday, came yesterday when Hugh Martin, sixty-one years old, 1111 Winton street, died in St. Agnes' Hospital. When the first tank exploded it burned Martin along with Hugh McGlinn and William Clidell. These last were fatally burned.

Fire was discovered again yesterday in the ruins of the plant, but was extinguished by the company's apparatus before arrival of city firemen.

Martin had a premonition of the disaster, according to members of his family. He told them only the night before there would be a terrible fire at the oil works some night.

William H. Hanifen, Jr., one of the fire victims, will be buried with military honors tomorrow from his home, 2335 Morris street.

William Clidell, who would have been sixty-five years old yesterday and was working his last shift when he died, also was buried tomorrow from his home, 2216 Moore street. The Rev. R. A. Hunter, of Grace Presbyterian Church, will officiate.

### RENNINGER OUT OF RACE

Retires From Contest for Treasurer of Abington Township

The fight for the Republican nomination for Treasurer of Abington Township assumed a new aspect with the definite statement made today by Harry Renninger, of Glenside, that he is not an aspirant for the post.

This statement narrows the contest to Edwin Linson, of Ashbourne, the incumbent, and Joseph Cochran, of Wynote. There is a third candidate, William Chamberlain, of Chesham, but he is not given serious consideration.

The Renninger statement came as a surprise, as it was believed that he would be the really formidable opponent of Linson. He is a brother of Frank X. Renninger, District Attorney of Montgomery County. It is thought the Renninger strength will be thrown to Cochran.

### BURGLARY FOILED

Three Men Arrested for Attempt to Break Into House

Three men, accused of breaking into the home of Mrs. Matthew Clarkson, 236 South Thirtieth street, were each held in \$2000 bail for the Grand Jury by Magistrate O'Brien this morning.

John McDermott, 240 South Thirtieth street, was on his way home shortly after midnight last night when he noticed three men acting suspiciously in front of the Clarkson home. He notified a patrolman, who arrested John Smith, Holly street near Fourth. They also found Frank Gelin, Federal street near Twelfth, and Louis Sano, Third street near South, boring holes in the rear door.

### MOTORCYCLIST HURT BY AUTOMOBILE

Edward Russel, of 2108 North Marine street, was struck by an automobile while riding his motorcycle on North Broad street last night. The automobile was driven by J. W. Clark, of Camden. Russel is in a serious condition in St. Joseph's Hospital, having a fractured arm and severe contusions. Clark was arrested.

# CHILD IS INJURED BY AUTO THIEVES

Four-Year-Old Boy's Skull Fractured by Car in Wild Flight

### WERE IN STOLEN MACHINE

Three automobile thieves stole a car belonging to William Henderson, of Haverford, late last night at Eighteenth and Spruce streets, and in the course of a wild ride to escape ran over four-year-old Harry Keegan, 2227 North Reese street. The boy is in the Episcopal Hospital suffering from a fractured skull and other injuries. He is not expected to recover.

Police believe the thieves had carefully planned to steal the car. Mr. Henderson noticed another automobile following him before he stopped to make the call on Spruce street. He was only absent from the machine a few minutes when it disappeared.

Persons in the neighborhood saw the men enter the car and drive east on Spruce street. They started out (clandestinely) at first to avoid suspicion. The car was nearly two blocks away when Mr. Henderson saw the place where he was making the call.

### Police Get Busy

He notified police at City Hall and gave a detailed description of the automobile. The motorcycle squad and police stations in all sections of the city were notified.

In a few minutes motorcycle police were on Broad street but could find no trace of the stolen car. Police believe the thieves started toward Broad street and then turned westward to throw pursuers off the track.

The stolen automobile was seen later on Allegheny avenue. The men were driving at a terrific rate of speed east on Allegheny avenue and narrowly averted collision with several vehicles. At two or three cross streets police stepped out to stop them, but the occupants of the car refused to slacken their pace. The patrolmen had to step aside quickly to avoid being struck.

Harry Keegan was crossing the street at Fourth street. The car was fully half a block away, spectators say, when the boy left the sidewalk. He was struck before he was half way across and knocked several feet. His head struck a curb and he was unconscious when picked up. The boy was taken to the hospital in another car.

### Abandon Car

On reaching Boston avenue and Jagger street the thieves evidently discovered they had run out of gas. They left the car there against the curb and disappeared. The automobile was discovered by Patrolman Pluckfelder, of the Front and Westmoreland streets station. The front wheels were dotted with blood.

FINE FRAMING PAINTINGS CLEANED AND RESTORED THE ROSENBAK GALLERIES 120 Walnut Street

Another automobile thief was compelled to abandon a car he stole late last night when the machine got beyond his control and lunged through a bulk window of the American store at North street and Fairmount avenue. There were marks of blood on the sidewalk. It is believed the man was driving at a high rate of speed and the car got beyond his control.

### LUCKY STRIKE CIGARETTE

Caught After Chase

Charles McGlinn, of Tulip street near Westmoreland, was arrested after an exciting chase through alleys and over a back-yard fence for the theft of two other machines.

Karl Miller, a hosiery manufacturer, of 1134 North Fourth street, left his car at Lawrence street and Girard avenue, shortly after 11 o'clock last evening. He heard the engine started and ran to see two men in the car. He later identified McGlinn as the man at the wheel.

The second man, who wore a brown suit and a straw hat, jumped up and menaced Miller with a revolver. The owner ran for help and met Patrolman Reinheimer.

When the thieves saw Reinheimer coming they abandoned the car, which they had not been able to start, and the patrolman bring as he ran after them. The second man escaped, but Reinheimer kept close after McGlinn, who went through a network of alleys and finally vaulted a fence on Lawrence street near Thompson. Reinheimer followed and arrested him.

On the way to the station house Reinheimer noticed another car, apparently abandoned, and it was taken to the police station. Later it was identified as the property of Sidney G. Mathews, 2016 West Lippincott street, stolen from in front of his house at supper time. Magistrate Yates held McGlinn in \$1500 bail.
