

Mrs. Mallory and Mlle. Lenglen Sure to Meet on Court in Rubber Match

WALKER WAS ONCE A STAR CATCHER

Mack's Injured First Baseman Has Been Playing Great Ball at the Initial Sack

INDIANS DEFEAT ATHLETICS

Fans in this city who follow the fortunes of the Athletics received with a shock the news that Johnny Walker, the budding first baseman of the Maeks, is suffering from concussion of the brain. The popper hit on the initial sack has pitched himself to local fandom by his hard, earnest play, and was regarded as one of the first-base finds of the year.

Johnnie's injury was announced yesterday, and he was knocked unconscious. He was removed to the Emergency Hospital and afterward to the home where the statement was issued that he was in a serious condition.

When he returned from France he was sent to Akron, in the International League, by Mack. He went South with the Athletics last year and played good ball. He is twenty-four years old and weighs about 175 pounds.

The Mackmen lost the game to the Indians yesterday after scoring four runs in the first inning off their star hurler, Coveleskie. Caldwell went to his rescue and succeeded in keeping the base blows down.
