> CORNS ENDED BY A TOUCH Pain Stopped Instantly-Corns Re-

moved Quickly and Gently This is the scientific way, the modern way to end corns. A fa-mous expert evolved it. A worldfamed laboratory produces and guarantees it.

With millions it has displaced old methods, harsh and crude.

It is Blue-jay—the liquid or the plaster. Either is applied by a touch. The pain stops at once, and soon the whole corn loosens and comes out.

Thus any corn, old or new, can be ended at your will. No joyful hour need ever be spoiled in this

Prove this tonight. Get Blue-jay at the drug-store. Bid all corns a lasting farewell.
