AN OPEN LETTER ADDRESSED
TO RED-BLOODED MEN
The heroes of the World War became heroes during the great battles at the front—not at rest camps in the rear. The business world will never award you a medal while you are sitting in a cramped position in back of that little desk.
Every day we are pushing men up to the front lines and teaching them how to win the greatest battle of all—THE FIGHT FOR SUCCESS.
If your blood is at the boiling point—if you are disguested with your little job without a future—AND CAN PUT UP A REAL FIGHT—we will discuss a proven plan with your state of the product of the product of the provention of the product of the provention o we will discuss a very constraint of the companion of the this saving time).
