We don't want men of exceptional genius. There are not enough of them and such as there are are hard to find. We want rather, the average run of man whose duvation is fair, whose present salary is none too high, whose ambitions are leading him in search of bigger opperiunities and who, given wholesculed co-operation and backing by employers who will show real, personal interest in him and his work. Is about ready to move up into a connection where permanency is more than a gamble, where advancement is rapid and sure, where advancement is rapid and sure, where it is a pay is always at a level that urges a man to do his best, fur husiness is growing rapidity and is taking our men along with it into the enloyment of financial rawards that are exceptional. The sectious-inded man who acmes with as looking for a real chance, no matter how tacking in experience he may be, will be given the utmost of personal helpful attention and coaching. WE U. MAKE IT OUR RUSINESS TO HELP YOU MAKE GOOD, See us about it if you're a Gentile and over 25 years old.

TREMENDOUS SUCCESS OF PRICE-SLASHING SALE OF USED CARS

The biggest success ever achieved by any sale in Philadelphia is that which is now being held in our showrooms. The officers of the Roman Corporation have decided to continue this wonderful end-of-August Sale this week-and have added some newly purchased cars to the list. Never in Philadelphia retailing, we confidently believe, have such values been given to the public.

We have been compelled to adhere strictly to a certain rule in this sale—that is, NO CARS SOLD TO DEALERS. At the low prices these cars are marked there is so much temptation for dealers to buy from us and then sell to the public at a big profit.

This Sale Has Made A Hit With The Public!

Never have our salesrooms been so crowded-never have customers been so absolutely astounded at the tremendous returns they get for every dollar spent here. Cold type can't tell it to you—you must come and SEE these unheard-of values!

Drive the Car You Buy in This Sale for 5 Days. If it Doesn't Give You Absolute Satisfaction Bring Back the Car and Your Purchase Price Applies to Any Car in Stock. In that way you do not run the slightest risk.

You do not need all cash to share in these low prices, made just before we take our August inventory. A small deposit—and we will hold any car for you. But you can't afford to delay-come now, and pick just the car you want at a price lower even than you meant to pay.

Time Payments—and on Easy Terms. Not Only Buy Cheaply But Pay as You Ride.

COME WHILE THE PICKING IS BEST!
