

### 63D STREET OPERA PLANNED BY P. R. T.

Company, Answering Suit Against Park, Declares It Will Also Give Concerts

#### DETAILS STILL LACKING

The Philadelphia Rapid Transit Company proposes to give "opera" at the park in the plan of the big acreage it has purchased west of Sixty-third street, and in Upper Darby Township. That was revealed today, when the P. R. T. and the Willow Grove Park Company filed an answer in the Delaware County courts at Media to a suit in equity brought to restrain them from establishing the park.

The answer declared the park is for the "recreation of high class opera and concerts." Whether the P. R. T. Company and its Willow Grove associate intend to go into the impresario business is not revealed.

The P. R. T. Co. and its subsidiary are made the defendants in an injunction suit brought by E. B. Edmunds, Howard Sellers, Florine L. Opdyke, Preston B. Lee and Harry E. Heffner, asking the equity court to restrain the defendant companies from establishing the park.

The citizens who are suing have been joined by township officials and residents of the neighborhood, 200 persons participating in the petition to the courts. It is alleged in the petition that the park, which will occupy thirty-seven acres, will be to the hurt of a section which has been strictly residential, and will disturb the peace of a neighborhood now noted for its quiet and order.

In the answer filed today the company declares the district in which it proposes to build the park is not strictly residential as claimed, and that the park will be no disturbance, as it will be conducted in an orderly and high class manner, and will attract only the most desirable of patrons.

Howard M. Lutz, attorney for the plaintiffs and also solicitor for Upper Darby, said today the township itself will take every necessary measure successfully to oppose the transit company's plans. He said there is already in existence an ordinance forbidding amusement parks in Upper Darby.

#### ASKS FOR JAIL TERM

Drug Addict, Given Year, Wanted to "Get Dope Out of System"

Judge Ferguson, in Quarter Sessions Court, today sentenced Harry Paxting, thirty-two years old, to a term of one year in the House of Correction after he had pleaded guilty to unlawfully having narcotic drugs in his possession. Paxting, who had been living at 148 North Eighth street for the last two years, said his home is in Reading, where he has a wife and one child, from whom he has been separated. He told Judge Ferguson he has been addicted to the drug habit for about ten years, and asked the Judge to give him a term in jail so that he could get the dope out of his system. Paxting was arrested August 5 with a typewriter in his possession that belonged to the Theodore Presser Company, Seventeenth and Chestnut streets. He

was under the influence of drugs, and had a drug in his possession.

More than fifty thousand Essex cars are in service. For the performance and endurance given, Essex had no rival at its last year's price of \$1795. What can approach it today with this saving of \$420?

At lower prices than they have ever sold for you can get either a Super-Six or an Essex this year and have the best months in which to enjoy it.
