FRAUD PLOT GROWS; \$12,000,000 SUM SET

Scheme Bared by Federal Agents in Chicago Most Audacious Ever Known

EIGHT ARRESTS MADE

By the Associated Press

Chicago, Aug. 24 .- Federal investigators delving into the affairs of Charles W. French, alleged head of a group of swindlers operating on a na-tional scale, today estimated that \$12. 000,000 might be involved in the band's activities. Its manipulations, it is declared, were the most audactous ever uncovered by Federal agents and in-cluded alleged banking schemes, bond manipulations and stock transactions involving seventeen companies and three banks.

Three alleged confessions were in the ossession of Federal authorities today. overnment agents have also recovered \$1,500,000 worth of doubtful notes and have made eight arresta.

Alva Harshman, for the last six years French's secretary, confessed yesterday to John V. Clinnin, Assistant United States District Attorney, regarding the band's activities, Mr. Clinnin said. He was released in \$5000 bonds and is to star witness for the Government. Another alleged statement of the band's activities came from Rudolph Kohn, head of the American Rubber Company,

Chicago concern.

French was arrested some time ago in connection with the activities of John W. Worthington, alleged head of a group engaged in disposing of securities obtained in mail robberies.

French is held here under \$25,000 bends. Besides French and Worthing-

ton, both of whom are under arrest, Harshman, in his alleged confession, implicated a number of others. C. K. Strobel, Akron, O., real estate man; Elmer Gerber, of Cleveland, and A. E. Strelzin, of Milwaukee, were yesterday taken into custody in those cities as agents of French. Today Federal offiials were said to be hurrying to Washington to question the cashier of a bank there. He was said to be involved in the operations of the swindlers.

"I don't know when arrests will end," Mr. Clinnin said. "The whole affair is almost too big to grasp—I doubt if even French could tell its ramifications easily.
