# GARWOOD'S SLAYER **ACCUSES FRIEND OF** ANOTHER MURDER

Quilford Young Says Former Haddonfield Policeman Killed Missing N. J. Contractor

#### CASE OF ARTHUR WHITEHEAD HAS BEEN 3-YEAR PUZZLE

Guilford Young, confined in the Camden County Jail after confessing the murder of Harry Garwood, the Camden jitney driver, has accused Benpoliceman, who is held for assisting Young in disguising Garwood's car, of Haddonfield contractor, about three

Whitehead's disappearance has been occurred, and resulted in his wife's attempted suicide and the murder of their two children. Although Young has made a number of wild statements since his incarceration and in general bears the reputation of being an unruly and bad prisoner, the authorities are in-clined to credit his story after he had

repeated it in Martin's presence.

The Camden County officials are investigating the story today and are digging up the lime kilns at Anderson's digging up the lime kilns at Anderson's farm on the Marlton pike near Cresson, where Young says Martin buried Whitehead's body.

Whitehead, who was a fairly well-to-do contractor at Haddonfield, suddenly disappeared from his home without any apparent motive, about three ways are. The authorities made a long

rears ago. The authorities made a long search for him but finally gave it up, convinced, as was Mrs. Whitehead, that the man had deserted his family. The Whiteheads had two small children. The authorities made a long

#### Kills Children, Tries Suicide After about two months. Mrs. White-

head, driven to desperation through destitution, killed her two children and attempted to committ suicide. She was confined in prison for about two years. At the time of her release the Masonic order, of which Whitehead was a member, instituted a nation-wide search for him without result. Young's accusation came withou

warning late yesterday. He has been promising ever since he was locked up that he would give the authorities starting information, but Prosecutor Wolverton did not expect anything like the revelation yesterday.

When Young first mentioned the al-Welverton, he merely saul, "Martin rioting and fighting in progress. kneeked a mun off several years ago. An investigation disclosed that Whitehead was among the missing, his disappearance for the moment having

been forgetten. It was then, according to the Prosecutor, that Young de-clared Whitehead was the man Martin Jartin was immediately brought into the Prosecutor's office and confronted

Young. . Young repeated the ne cusation, and Martin's face purpled-"You're a line yourself, and you know it." Young retorted. "If I was not in the Prosecutor's office I'd choke the truth out of you."

the truth out of you. The men tried to get at each other. but were prevented by guards. County Detective Doran was imme diately assigned to the case, and acting on the sparse details given in Young's statement, went to the Anderson farm and started a search for human bones. Darkness prevented the search proceeding far, but was resumed the first thing his morning. Nothing to substantiate
