CAMPBELL LEADS IN STATE GOLF

Old York Road Pro Has Card of 75 for First Round at Merion C. C.

LOEFFLER RETURNS A 77

By SANDY McNIBLICK Jock Campbell, the Old York Road onal, was leading the field in the eighth annual open golf champion-aip of Pennsylvania over the east surse of the Merion Cricket Club, with shout one-third of the contestants in Campbell finished the first eightcen les in 36, 39-75. His card follows: Oat 4 5 4 4 5 4 8 4 3—36 In 6 5 4 2 4 5 5 4 4—30—75

Emil Loeffler, the efficient greens keeper at the Oakmont Country Club, Pittsburgh, and incidentally present State open champion, was in second place with a 77. He was out in 41 and back in 36. William Leach, the Merback in 36 region, was two strokes worse. chantville golfer, was two strokes worse than Loeffler with a 39, 40-79, while Paul Jennings turned in a 42, 39-81. The local stars didn't fare so well. In fact, the scores were unusually high, one principally to the high wind. Also due principally to the high wind. Also the tees had been moved back and the flags were placed in difficult positions.

J. Wood Platt, Whitemarsh, got a bad start and required 47, 40—87 for the first round. Frank Coltart, of the Country Club did better, with an 82 Country Club, did better, with an 83.

J. J. Beadle, Cedarbrook, had to be satisfied with an 85, while Matt Duffy. Kn. Overbrook, returned a card of 88. Charlie Hoffner, who won the title in 1919, was out in 40; not so good.

turning in the best card for thirty-six holes, the title and a purse of \$200, which is not bad at all for one day's competition on a golf course.

The field today contained a lot of talent. It is the home course of Max talent. It is the home course of Max Marston, nationally famed amateur, and his 70 there quite recently, made him one of the higher-ups when the favor-ites were being picked this morning. Marston is on the top of his game and no one would be surprised if he'd win out, even in front of the pros.

J. Wood Platt, the other stellar amateur in this town, was also picked

amateur in this town, was also picked by many. Platt won a 72-hole medal affair at Merion last year, prior to the Lesley Cup matches with Marston, Jesse Guilford and others in the running. He finished second in the Philadelphia open this year. Medal play is what he likes as is best shown by the fact that he won half a dezen medals last year, bowling yer a couple of course records round-

about on the way.

The other leading amateur in today's play is W. C. Fownes, Oakment.
Fownes captained the American amateurs abroad and ousted Chick Evans there. He has twice won the national there. He has twice won the national medal and is expected to be a hard man to head off in-today's play, if Cap'n Bill once gets going strongly. Norman Maxwell, Sam Newton (Virginia), and couple of others were given an outa couple of others were given an outside chance among the simon-pures.

But when all is said and done, it looked much as if Champion Loeffler ought to repeat. He is the sensational youngster who holds down the greenskeeper job at Oakmont, and last year was his first title-win. Since then. was his first title-win. Since then however, he has twice engaged in the national open and laid down some particularly sterling shots in the stern going at Columbia where he finished in the money. Loeffler is one of the many young American pros whose work is

being watched with interest.

Bobby Cruickshank, pro at County, is another youngster like Loef-fler who pluys in expert form and is liable to get the jump. He played ex-cellently in the Shawnee open and is here for the purpose of lifting a ne-
