>
> In measure of limitation of nrmaments as measure of limitation of nrmaments.

4 to reduce expenditures.

Curiously the Democratic National Committee goes far afield, and in the statement put forth by its publicity director assails the pacific and disarmament conference in making its attack upon the Harding Administration. The charge that the conference has been made too complicated and that the prospects of disarmament have been threatened, is taken up with vigor.

Sniping at Foreign Policy

Evidently the Democrats feel that the strength of the Administration is its foreign policy, and some doubt must be taised over the wisdom and success of this policy if they are to succeed in September and again in November of

Washington, Sept. 7.- The Republi- national gathering was a spendidly
