LIVELY CONTESTS IN SOUTH JERSEY

Filing of Nomination Papers Indicates There Will Be Scramble at Primary

TO PICK SEVERAL MAYORS

Pitman, N. J., Sept. 8.—Municipal contests have a clear swing in the political campaigns in South Jersey this year, in the absence of any very important fights for State or county offices, and the filing of nominating petitions yesterday indicated that there will be some lively skirmishes at the primary on September 27.

Mayors are to be elected in several of the South Jersey towns, but the principal contests will be over seats in Council in the various boroughs. Only two mayoralty contests at the primaries now seem likely, and they will be at Bridgeton and Pennsgrove. In both of these places three-cornered fights are on for the Republican nomination for Mayor.

Three Mayors will seek re-election for fifth terms. They are Mayor Arthur C. Whitaker, Bridgeton; Mayor J. M. McCowan, Pitman, and Mayor J. Preston Potter, Clayton. All are Republicans. The last two apparently will have no opposition for re-election.

Mayor Harry A. Black, who has served two terms at Swedesboro, has declined to run again, and Dr. Vernon DeGroff, former Coroner, will be the Republican candidate. Dr. W. H. Pounds, who has served one year in filling out an unexpired term as Mayor of Paulsboro, will not seek re-election for a full term, and prospects today are that former Mayor Doolittle will get back in the running.

Mayor Samuel A. Hunt, of Pennsgrove, will also retire and a lively scramble is on to fill his place. Charles L. Smith and Alfred Gillison, both Councilmen, will fight it out for the Republican nomination for Mayor. The Democratic candidate is Robert W. Kidd.

The hottest battle for councilmanic nominations will be staged by Glassboro Republicans, who have two rival sets of candidates in the field. One side, composed of the former boosters for a borough charter, has indorsed Richard S. Doughty and Dorcy C. Satterfield for Council, while a faction headed by former Sheriff Robert Mead has put up Fire Chief A. G. Stewart, Jr., and former Tax Collector Frank R. Stanger.

Three candidates will seek the two places on the Republican ticket for Council at Pitman. They are Councilman Edward H. Gurk, E. Austin Petit and Harry B. Briggs, Jr. The Democratic candidates are Samuel A. Crist and Allan M. Duncan.

A contest is also on for executive committeemen in two of the districts. In the First district Councilman John M. Napier and Councilman Robert S. Hickman are opposing each other for Republican committeeman and in the Third district Councilman Edward H. Gurk is opposed by Edward Deetz. Former Borough Clerk J. Russell Treat and Clarence A. Hahn will also contest for the Republican nomination for Freeholder to oppose for re-election Freeholder George W. Carr, who will be renominated by the Democrats without opposition.

WEST CHESTER FIGHT HOT

Leaders Keeping Hands Off in Primary Contest for Burgess

West Chester, Sept. 8.—The battle at the primaries for places on the Republican ticket will be one of the fiercest ever staged in the borough. Senator T. L. Eyre and other leaders have promised to keep hands off, and it is being fought on the merits of the candidates.

For Burgess the candidates are former Burgess and Legislator Plummer E. Jefferis, who is opposed by Herman G. Hutt, a former Philadelphian, who once represented a district in the State Legislature with much credit. He is noted as an athlete and middleweight whom few boxers will meet even at his age. He came here several years ago and made good as a business man, being a leader in his line at present and a citizen with the respect of all.

The candidates for Council include Henry H. Goss, present member; John H. Speer, John E. Johnson, Nathan R. Rambo, Charles O. Hoffman and J. Paul MacElree, for the term of three years; A. L. Halteman and Rudolph B. Weiler, for two years. Women are on the card for the School Board, the candidates including S. LeRoy Barber, Mrs. William Dowlin, Alice Scattergood and Mrs. J. Russell Hayes.

For Tax Collector, the incumbent, George Kirk, is opposed by Morris Sellers and Alan Bateman.

In the Fourth precinct Miss Jeanette Moore is opposing Isaac Broomall for inspector, and in the Seventh Miss Emily Hoppes would like to displace Jacob Beaver, the incumbent, for precinct assessor.

NO WAGE CHANGE HERE

Landis' Decision Not to Affect Philadelphia Building Trades

Judge Landis' decision announcing a wage cut affecting Chicago's building trades has little bearing on the building industry in this city, according to Edward P. Flannery, chairman of the Committee of Twenty-three, the employers' committee here.

The point of interest to Philadelphia builders and labor is that it justifies the wage cut of a 25 per cent average made here some time ago and at first refused by the unions. By Judge Landis' ruling the cut made in Chicago is about that figure.

That the cut made in wages paid by the building trade was justified is evident from the fact the industry is in a much healthier state than it was a few months ago, Mr. Flannery said.

"Although people are still complaining about high building costs," he said, "business is getting more and more active and by early spring it may be expected to be beyond the point of stagnation and back to normal, providing present conditions continue."

BONDING CO. OFF BLACKLIST

City Again Recognizes Smith's Firm When It Agrees to Finish Plant

The bonding firm of former Mayor Smith was removed from the blacklist in City Hall yesterday when an agreement was reached with Director Caven, of Public Works, whereby the firm, the National Surety Company, of New York, will complete the construction of the sewage disposal plant in the northeast.

The surety company had bonded the contracting firm which abandoned the operation. When conferences failed to develop some amicable plan whereby the work would be completed orders were issued that no contracts bonded by the National Surety Company should be accepted.

Yesterday the company agreed to finish the work on the plant in return for a payment of $275,000 from the city. The plant has already cost the city $1,200,000.

IMMIGRANT MONK FREED

Franciscan From Malta Released at Gloucester After Four Days

Immigration authorities at Gloucester yesterday lifted the four-day distraint there of a Franciscan monk from Malta.

The visitor, the Rev. Father Eyidio Lorenzo Bugeja, arrived here Saturday on the British steamship Wadden. Pending advice from Washington regarding the immigration quota for Malta, he was detained at the immigration station.

Washington replied that the monthly quota for Malta should be about the Volstead allowance of one-half of 1 per cent, adding, however, that Malta was a British possession and its immigrants came under Britain's quota.

The monk was released upon receipt of that information, the quota for the British Empire being still unfilled. He immediately left for Detroit, Mich., where he will act as an instructor in a Franciscan college.

CONTROL OF RIVERS BY U. S. INDORSED

American Fisheries Society Goes on Record Approving Hoover's Plan

NEW OFFICERS ELECTED

Allentown, Pa., Sept. 8.—The American Fisheries Society went on record yesterday as endorsing the proposition of Herbert Hoover, Secretary of Commerce, for Federal control of streams to solve the question of pollution.

The society adjourned its indoor sessions at noon to inspect the fishing grounds and to give way for the opening today of the convention of the International Association of Game, Fish and Conservation Commissioners. Among those coming to this convention will be William T. Hornaday, director of the Bronx Zoo; Governor Sproul and Seth Gordon, the Pennsylvania Game Commissioner.

Before adjournment the fisheries society advocated nationally an opening of the bass season not before July 1 as more favorable to their conservation than artificial propagation.

A resolution of thanks was given N. R. Buller, the retiring president.

The party inspected the Lehigh hatchery of General Trexler, followed by a trip to the Grammes hatchery in Walcksville, near Lehighton. During the outing there were demonstrations by Frederick G. Shaw, of London, the champion dry fly caster of England.

W. E. Barber, of Madison, Wis., was elected president of the society as successor to Mr. Buller; G. C. Leach, Washington, vice president; Ward T. Bower, Washington, executive secretary; S. B. Hawks, Bennington, Vt., recording secretary; Arthur L. Millett, Boston, treasurer. Executive Committee, Prof. George E. Embody, of Cornell University; John W. Titcomb, Albany, N. Y.; Edward E. Prince, Ottawa, Can.; W. E. Albert, Davenport, Ia.; George Shiras, 3d, Washington; W. H. Rowe, West Buxton, Me., and John W. Cobb, St. Paul, Minn.

The divisional vice presidents are: Fish culture, Eben W. Cobb, Minnesota; aquatic biology and physics, Prof. H. B. Ward, Illinois; commercial fishing, Gardener Poole, Fish Pier, Boston; angling, Thurston S. Ballard, Louisville; protection and legislation, William C. Adams, Boston; chairman of Committee on Foreign Relations, Dr. Hugh M. Smith, Washington; chairman of Committee on Relations with State and National Governments, Charles O. Hayford, Hackettstown, N. J.

CHURCH PAYS BIG DEBT

Presbyterians Give $583,000 to Meet Interchurch Obligation

By the payment of $583,365.77, the Presbyterian Church in the U. S. A. has liquidated its share of the indebtedness incurred by the Interchurch World Movement. According to a statement issued yesterday by the Rev. Dr. George B. Stewart, acting stated clerk of the General Assembly, the above sum was paid in cash to the Bankers' Trust Company, of New York, and the canceled warrants therefor have been transmitted to the treasurer of the General Assembly, the Land Title and Trust Company, of this city.

Funds to pay the indebtedness were oversubscribed by the boards and agencies of the Church to the extent of $585,400.

In connection with the payment of the interchurch obligation, the Rev. Dr. Henry Chapman Swearingen, of St. Paul, Moderator of the General Assembly, said:

"The committee wishes to thank all the boards and agencies for their cordial support and willing co-operation in its by no means easy task, and it asks them to accept this report with the satisfaction it feels that at last the promises of the Church on account of the Interchurch World Movement have been fully met and the good name of the Church has been conserved."

SEEK WHEEL PUMP TRIALS

Indictments Based on Inn Raid to Be Asked

Bills against the eighty-four men arrested several weeks ago by the State Constbulary in the raid upon the Wheel Pump Inn, Chestnut Hill, will be presented to the Montgomery County Grand Jury when it meets in Norristown next Monday.

District Attorney Renninger said yesterday that it is the plan of the county officials to present the bills against the gamblers and the owners of the place immediately after the Grand Jury convenes. If indictments are returned forthwith the trial of the gamblers will be begun.

Notice to appear at the Montgomery County courthouse on Monday morning have been received by each one of the eighty-one men held in $500 bail on the charge of frequenting a gambling house and the three men held in $2500 bail each on the charge of being proprietors of the place.

AMERICAN ORDER INITIATES

New Ritual Exemplified as Eighteenth Session Closes

Whether it was a new way to ride or not to ride the goat, only the initiated will know, for the delegates to the sessions of the convention of the Order of Independent Americans were entertained by an exemplification of the new initiation ritual last night in Moose Hall.

The exercises marked the closing of the eighteenth annual State convention which had been in progress for three days in this city. Officers were elected as follows: State councilor, Harry E. Robinson, Pittsburgh; State vice councilor David Davies, Summit Hill; Charles A. Hendrickson, treasurer, and William A. Pike, secretary.

Special Meetings

AT A SPECIAL MEETING OF THE Board of Directors of Integrity Trust Company, held this second day of September, 1921, the following resolutions were unanimously adopted:

WHEREAS, It has pleased Almighty God in His infinite wisdom to remove from our midst our honored and worthy fellow member, ALBERT HELLWIG, and

WHEREAS, The pleasant and intimate relations which he held with this board as a fellow director make it eminently fitting that we should place on record our feeling of appreciation of his friendship, and of his services, and our deep regret for his loss therefore,

RESOLVED, That this board will hold in grateful remembrance the sterling qualities of our late fellow member, MR. ALBERT HELLWIG, and will ever appreciate the work of his business counselor, which was of such great aid in the work of this board.

RESOLVED, That the removal by death of our esteemed member creates a vacancy in our board which his fellow members deeply deplore, and causes a great loss to themselves, and to the community at large.

RESOLVED, That we hereby extend our deepest sympathy to the bereaved family of the deceased, hoping that in the sadness of their affliction they may find some consolation in knowing that the worth of his private qualities are properly appreciated.

Carey BOARD

Makes a better wall finish.

Better because it never cracks.

Better because it has more insulating value than any other wall finish. That is to say heat does not come thru it from the outside in summer, nor pass out thru it in winter.

Better also than any other kind of wallboard because in addition to the outside moisture proofing which other boards have, Carey Board is *absolutely* waterproofed by two internal asphalt membranes.

Better too from the standpoint of economy, cheaper than lath or plaster, or than beaded lumber, and very much quicker and easier to apply.

We shall be glad to fill your order for a bundle, a car load or a single sheet. We are just as glad to serve the householder who makes his own repairs as the large buyer.
