SCOUT'S FIRST AID SAVES DAD'S LIFE

Improvises Tourniquet When Dr. Boehringer Is Hurt. Speeds to Hospital

DRIVES CAR FOR FIRST TIME

Herman Winfield Bochringer, Jr. ffreen-year-old Boy Scout, of 1811 South Twenty-second street, today told bow his knowledge of first-aid aided him in saving his father from bleeding to death in a gunning accident Tuesday afternoon along the Delaware River

After stopping the flow of blood by a handkerchief, used as a tourniquet, the boy, who is frail for his age, rowed pear Essington. his father several hundred yards against the wind and then drove an automobile Samaritan Hospital in record

to the Samaritan Hospital in record time, although he had never driven an automobile before. "My father, Dr. Boehringer, Harry Ross, of 1800 South Second street, and Ross. of 1800 South Second street, and lad gone gunning for reed birds near Essington. Herman said. "I had an old gun and my father had a new one he had just bought.
"I wanted to try it and we changed guns. I shof a bird and had rowed out into the river to get it when I heard another shot. I looked around and saw gun my father was using had

that the gun my father was using had epioded. Blood was spurting from sally wounds on his left hand and arm. I rowed ashore and used a hand-berhief to stop the blood. Father was the few loss of blood. We Rose and reak from loss of blood. Mr. Roos and I helped him into the boat. While Mr. Roos supported him I rowed to the spot. The value of the realty is not known. where we had left our automobile.
"There was a stiff wind, but

When we reached the rowed like mad. When we reached the into it. I don't know how I ever made because I never drove it before, but I somehow got father to the hos-

pital."
Physicians at the hospital said the boy's presence of mind and the quick ran to the hospital had saved his ther's life. Amputation of the hand may be necessary. The injured physi-cian is a member of the staff of the
