Disorder in Petrograd as American Relief Body Begins Work

FAMINE REPORTS VERIFIED

Special Cable Dispatch. Comprisht. 1901 Petrograd, Sept. 6, vin London, Sept. .-The first representatives and the first shipland of food of the American Relief Administration now are func-tioning for the first time in Russia. American kitchens have been opened.

The Americans have been treated with every courtesy. The people are famished, but there have been no mobs nor does there appear to be any danger of any here.

The Soviet police seem to function MME, ALEXANDRE MILLERAND well, and they stopped the few at-tempts at petty thievery so far reported. The representatives of the American Administration are director: Albert Snooks Donald Lowrie. They were greeted by Soviet officials at the station without pomp and taken in autos to hiotel in-ternational, which will be their head-quarters in Petrograd. The Internaquarters in Petrograd. The International formerly was Hotel Astoria, the

in Petrograd

Following the arrival of the officials the first A. R. A. ship arrived in the harbor without demonstration of any kind. The crows of a few Seviet ships now being conducted in Harbin between \$10,000 and who intends to exhibit there watched silently and curiously. M. Vongia Minister for Foreign Als An enormous warehouse was placed at the A. R. A.'s disposal. Unloading of the ship was accomplished without in eldent. White flour, sugar, cocea, concarries were very tempting to the leng- statement that nearly all of the mi-

oremen.

The Americans toured the kitchens, M. Yourin has given our similar im inspecting the children's rations and pressufficient to convince them that the stories of hunger were not exaggerated. Meals consist untilly of black bread, soup, beans and dried vegetables, with no fat contents. Soviet authorities enmitted frankly that the food situation sions on the part of the Russians. Just was desperate

"We have the organization, but no disclosed. A high ranking official has received continually significant at this time du-te following ration; black break, six- to the close proximity of the date of the tenths of a pound daily; and the follow ing monthly; cereals, three-sixteent of a pound; sugar, two-tenths of pound; meat and fish, three and one pound; coffee, two tenths of a pound tables, eighteen pounds; matches, on

The A. R. A. officials culculated the grown-ups' ration averages 1200 cml-ories daily, whereas it is estimated Children's rations are corre-

•pondingly less.
It is incredible that the people are able to live on such starvation rations

Special Cable Disputch, Congregat, 1921. Podwoloodyska, Sept. S - Much as the Soviet authorities desire to encourage retail trade along the Polisi frontier. Moseow's policy tends to re-serve the wholesale deals to the foreign trade department to which the Polish traders sell. As a result of arrests in Woloczyska and Proskuroff. activities on the small wooden bridge separating Podwoloedyska from the Russian town of Wolcozyska were slightly interrupted yesterday. The va-

FARM-LABOR MEN NAMED

Party Convention Nominates Candidates for New York Offices

New York, Sept. 8.—The Farmer-Labor Party nominated candidates for city offices in convention here yesterday with 150 delegates present. Those nominated were: For Mayor, Jerome T. de Hunt; for Comptroller, Hen

Howe: for president of the Board of Aldermen, Abraham Lefkowitz.

The platform adopted for the coming campaign calls for higher taxes on unimproved land and the proceeds used to build houses at cost, starting of public works to relieve members aboltship.
