

TENDLER MAY BOX JACKSON IN N. Y.

With Willie's Ban Lifted September 30, Rivals Are Expected to Meet October 12

LEONARD TALK ON AGAIN

By LOUIS H. JARFE

New York's fistful folks know little or nothing of the punching prowess of our New Tandler. They have never seen the local southpaw in action in Gotham...

Two weeks ago a Brooklyn promoter wanted to sign up Tandler to meet Willie Jackson in a special show to be held...

However, indications point to a bout for Tandler in New York early in October, probably on or about the 12th...

Johnny Dundee was to have been Tandler's opponent at the Boxingdrome, way up somewhere in the Bronx, but that match was killed when the club's license was revoked...

Joe Marks of South Philadelphia, is on his way to Houston Tex., where he will remain for several months.

Joe Tipitz and Johnny Dundee are to box again. They will meet September 9 in Boston, ten rounds, to a judges' decision.

Willis Britt has returned after a vacation and is getting ready for the coming season. "I expect to be matchmaker for a new big club in Philadelphia," says Britt.

Levi Minsk, lightweight, is keeping in shape. He is being handled by Charley Williams, who wants to match Minsk with Eddie Dempsey or Young Mullins.

Jimmy Gibbons will meet Mike Connors in the headliner of the St. Charles Carnival bouts tonight. Mike Martin vs. Pat Connelly and Joe Burdette vs. Pete Guida are the other numbers.

K. O. Sansom, heavyweight, has placed himself under the Edwards-Britt management. Mike Credel, welterweight, also has joined the same stable...

Downey Entitled to \$30, Wilson \$20, Says Referee

"Downey was entitled to about \$30 prize money and Wilson to about \$20," said Jim Savage, referee of the bout between that pair in Jersey City on Labor Day...

All members of the commission were in attendance. Tex Rickard, the promoter, and Johnny Wilson and his manager, Marty Kilias, were also on hand...

CATHOLIC LEAGUE GRID DATES OUT

Opening Game Will Be Between West Catholic and St. Joe, October 21

TO PLAY ON PHILS' FIELD

By PAUL PREP

The Catholic School Football League will open officially on Friday, October 21, when West Catholic High and Villanova Prep eleven oppose each other. The game is scheduled to be played at the Phillies' Ball Park, Broad and Huntingdon streets.

There is a lapse before the next game, which, by the way, will be played on the same grounds. This time Villanova and St. Joseph's Prep school will battle. The game will be on November 4.

The next day one of the biggest games of the circuit will be played on Cahill Field when West Catholic lines up against Catholic. This battle will be followed by the Villanova Prep-Catholic High affair, which also will be played on Cahill Field, November 12.

The league season will close on Thanksgiving Day, November 24. Two games will be played on this day, one at the Strawberry and Clothier field, Sixty-third and Walnut streets, and the other at the Phillies Park. The Villanova Prep and West Catholic High aggregate and the St. Joseph's Prep and Catholic High eleven meet in these games, respectively.

The schedule for the league is as follows: October 21—West Catholic at St. Joseph's, Phillies' Ball Park.

November 4—Villanova Prep at St. Joseph's, Phillies' Ball Park.

November 12—Villanova Prep at Catholic High, Cahill Field.

November 24—Villanova Prep at West Catholic, Strawberry and Clothier Field; St. Joseph's Prep at Catholic High, Phillies' Ball Park.

The foregoing schedule was announced by Dr. Bonner, of Catholic High, president of the league. At the time of the announcement he also gave out the Catholic High School list of games.

The Purple and Gold is due to open on September 30 with a team yet to be named, probably Southern High.

After the opening game the Cahillites will travel to West Chester High and Radnor High on October 8 and 14, respectively.

A game is pending with the Eastern High School, of Washington, for the 22d of the same month. The fray originally was scheduled for the 14th but, owing to a misunderstanding, was pushed back a few days.

October 20 and November 18 are still open, and games for these dates will be booked with teams in the Inter-scholastic League.

The schedule follows: September 30—Pending, probably Southern High.

October 8—West Chester High, at West Chester.

October 14—Radnor High, at Radnor.

October 22—Pending with Eastern High, of Washington.

Runs Scored for Week in Three Big Leagues

PLAYER DEALS ARE ON

The Eastern Basketball League will meet this evening at the Hotel Windsor, and many important subjects will come up for the consideration of the cage magnates.

It is not known whether the former club will be in existence, but the moguls are preparing in advance, and it is said a rule will be passed whereby any player in the league that performs with either when his own club is in action will be suspended.

The only other basketball league of note that will be in existence this year is the New York State circuit, and the Eastern daddies have already come to terms with that organization as regards players, etc.

A number of deals are hanging fire, and one is said to involve Barney Sedran and Marty Friedman. Any team that can start the season with the former Jasper stars in the line-up has at least two-fifths of the pennant won.

Nat Holman, who has taken the Reading team, after all others refused to come across with the salary the Germantown flash received, will hardly play in these parts this year.

Holman is coach of the New York University, and his duties will in all probability make his playing impossible. Reading is one of the clubs that has always played on Saturday night. Nat was missing from nearly all the games.

ALLIED SOCCER LEAGUE TO ELECT 1921 OFFICERS

Entries for Season Close on Tuesday. Many Teams Entered

The annual meeting of the Allied American Football Association will be held at North Branch Y. M. C. A. Wednesday evening, September 14, at 8 o'clock, for the election of officers and appointment of committees for the ensuing year.

The Allied is the largest and strongest individual association in the country, having seventy-two clubs enrolled as members last year, with total receipts of \$1071.49 and \$452.49, of which over \$1000 was spent for medals, leaving a balance of \$200 in the treasury.

For this season seventy-four clubs have applied for membership. Entries for all divisions will close Tuesday, September 13. So many entries have been received for the First, Third and Fourth Divisions it will be necessary to divide each of the divisions into two competitions.

CAGE MOGULS TO DISCUSS PLAYERS

the Germs played on that night, and at Reading it is simply impossible. Of the eight teams in the league about half are after Saturday as a playing night. This will be impossible, but that matter is expected to be amicably settled. President Scheffer has already announced the selection of Herman Baetz and Ward Brennan as referees, and a third man will be chosen. Billy Kelly, Peter Riley, Ben Emery and Jim Rumsey have filed applications. Bill Keenan, the former star center, has announced his willingness to take a position, and "Midge" Ferguson, who resigned last year, sends word from Trenton that he will be on hand to seek reappointment.

KELLY SPRINGFIELD TIRES

WE have seldom indulged in superlatives. Kelly quality has been so well established that it hasn't been necessary. Today, Kellys are better than ever, but their price has been materially lowered. Exhaustion of war-priced material and economies made possible in the new Cumberland Plant have brought down costs and this saving is being passed along to the user.

Now you can buy Kellys for the same prices you will have to pay for other tires that have always sold for less.

Kelly Cords are made in two types: the Kant-Slip Tread which offers a resistance to wet, slippery streets that makes skidding next to impossible, and the sturdy Block and Button Tread. Both are long mileage tires and sell for the same price.

Table with columns for Size, Cord, and Tubes, listing prices for various tire sizes like 30x3 1/2, 32x3 1/2, etc.

How Jobs For the Jobless May Be Found

That Satan will find work for the idle hands to do if we fail to anticipate him in this line of endeavor, seems to put into a nutshell the compelling reason for the unemployment conference called by the President of the United States. Destitution, distress, bread-lines, and soup kitchens in our larger cities, and a material increase in crime throughout the country are predicted for the coming winter in dozens of newspaper editorials because of the almost unprecedented unemployment situation which the country now faces. "Industrial controversies, resulting in stoppage of production," is advanced by the St. Paul Dispatch for the present unemployment condition: "A debt-ridden and mutilated world, which has decreased its buying, thus curtailing production," is responsible in the opinion of the Norfolk Virginian Pilot. "The high price of steel, which hampers building operations, high freight rates, high wages, and high cost of material, which keeps up the buyers' strike," are some of the reasons given for unemployment by the Houston Post, while the Buffalo Express believes the situation was caused by the "orgy of Government spending."

Whether President Harding can bring about an agreement between capital and labor to co-operate in fighting the causes of depression, the country shall soon know, for Secretary Hoover already has drawn the plans for the conference. This conference, in the opinion of the Philadelphia Public Ledger, "is likely to spur Congress into action." While the Socialistic New York Call says that the present situation "indicates clearly enough the damnable incapacity for leadership on the part of the rulers of this country who run away to the seashore and the mountains when a real problem is put up to them," the New York Evening Post points out that it is not the custom to heed a "serious social emergency" until the cry of the hungry actually is heard.

All angles of this most pressing problem which confronts the country are treated in the leading article in THE LITERARY DIGEST for September 10th.
