BUTH TIES HIS RECORD IVINS BATTERS ON TOP

For all practical purposes the New York Giants and the Pittsburgh Pirates the Industrial League baseball race are on the schedule for this afternoon and three teams, Fox Motor, Ivins Cake and Thornton-Fuller are all deadlocked for the leading by the margin of .0002.

The Giants came through with a three-run rally in the seventh that gave them the verdict over the Dodgers. Cadore was the opposing twirler, and while he was nicked for only nine hits. several of them came at opportune times and accounted for his downfall. Big Fred Toney, on the other hand, was not so liberal with bingles when this meant runs, and was, therefore, the victor. Three errors by Brooklyn contributed in a measure to their defeat.

When Cooper is shelled off the peak in the very first inning by the Cubs something is wrong with the Pirates. The star southpaw was nicked for four runs in the opening frame, and was forced to the showers. Old Rabe Adams succeeded the southpaw, but he fared little better, four more runs coming while he was on the mound.

Freeman, who started for the ince of Killefer, was nicked in the third for three runs and he, too, went to the showers. He was succeeded by young-ater Jones, who held the Bucs to a run scored in the ninth inning.

The Pirate pitchers appear to be backling under the strain, as is evidenced by their weak hurling since the start of the series with the Giants. On the other hand McGraw has his sausd working with machine-like presquad working with machine-like precision, taking their turns regularly and lasting through the entire game.

Gibson has been forced to use his regulars in relief work, not being supplied with sufficient reserve material to send youngsters in. The flag will be won by the pitchers, and it will be interesting to see what changes will

Ruth's Great Clout

Of course, Ruth tied his home-run re cord by sending the pellet over the left field fence, about 200 feet from the flagpole. The hit was the longest ever made on the Shibe Park loam, clearing the fence by fully 15 feet and bounding high in Somerset street. The hit was yards longer than the ones made by Frank Welch and George Burns, both of whom have the honor of being the only men outside of Ruth to clear the left field fence with a safe hit. llie Naylor was the victim yes-

While Ruth was -bringing joy to several hundred boy scouts, the guests of John Shibe and Connie Mack, Tille Walker was making the fans sit up and take notice by driving out two homers into the left side of any field. Owing to the announcement being made by Messrs. Lewis and Walders that should any of the players on the All-Philadelphia team display better form than his opponent in the same position on the Phillies, that has given by position on the Phillies, that has given a playing standpoint. and take notice by driving out two and take notice by driving out two homers into the left field bleachers. The first landed half way up while the second hit the wall on Somerset street, about three feet from the top, and a hundred feet from where Ruth's drive cleared the wall,

Outside of Walker's peformance-he disc had a single—the batting of Edgar collins was the feature. The youngster hit three doubles and a single out of four trips to the platter. All four hits went into center field on a bealine. Chick hit three doubles and a single out of four trips to the platter. All four hits went into center field on a bee line. Chick Gallows had a triple that rolled to the score and also a single. Tour on Betts

The Phils were helpless before the brilliant hurling of Scott up in Bosson and the Braves wen 2 to 0. Huck Betts twirled a good game, holding the Beancaters to eight hits, and one carned ran. The other came as the result of an effort to cop the weil-lenown bacon.

OPEN SOCCER SEASON

Philadelphia Field Club Plays Strong Team at Dieston Ball Park

The local soccer season will open to-Rollie Naylor was the victim yesterday and singularly last year an Athletic, hurler. Keefe yielded the fifty-fourth homer made by the king of swat. The hit was all the more remarkable when it is considered that Ruth is a left-handed hitter, and under all the rules should hit to right and tight center. According to Frank O'Neill, a New York newspaper man traveling with the Yanks, the hit is the longest ever made by Ruth on the left side of any field. His drives to center and right of the land local players, together with several stars who have recently arrived from Europe, is a strong aggregation and therefore should give the crack Phillies a hard contest.

Owing to the

Will Meet Donovan-Armstrong at Fifty-eighth and Walnut Streets The South Philadelphia Hebrew Association will take its baseball team out to Forty-eighth and Walnut streets

The game promises to be one of the best played on the collegians' lot this year. Both teams have been going great

Beanearers to eight hits, and one earned fun. The other came as the result of an error.

A single by Monroe with one down is the ninth and one by Betts in the stath with two out, was the total damage to the delivery of Scott during the nine frames. It was the best game the Delaware youth has twirled this season and he had to have the breaks of luck to see Scott twirl his best game of the Beason.

In the other American League games to 1, Jones having much the better of a twirling battle with Mogridge. The other game was what might be termed a pippin. The White Sox by getting a pippin. The White Sox by getting a pippin. The White Sox by getting two more run and two more hits than the Tigers won a great 20 to 18 victory, the largest scores made this season in the league.

The Cards dropped a precious game to the Reds, which further minimizes their chances for the pennant. Ten the three was the score.

Heads to three was the score.

Von Boynton May Help Coach Williams Williamstown, Mass., Sept. 10.—The Williams football team may not lose Benny Boynton, its star of the last few years, who was graduated in June, altogether this fall, for it is understood he plans to return and act as assistant to Coach Percy Wendell, of Harvard. The latter succeeds Joe Brooks, of New York.

More than 100,000 tickets for the two meets—today and September 17—have been sold.

Bingles and Bungles

Yesterday's Big Noise—The New York Giants, by defeating the Brooklyn Dodgers, climbed up to within a fraction of a point on Pittsburgh in the rise for the National League pennant. The official standing of the clubs is: Pittsburgh, .60606; New York, .60588.

Jim Jolly, pitcher of the Galveston Texas League Cluir, has been purchased by the New York Yauless. Jolly has been out of the game since the middle of the season as a result of an operation for appendicitis, and will report to the Gotham aggregation next year.

The Ransas City American Association Club will have a new shortstop report on Sep-tember 20. Frank Murphy, of the Rock Island Club of the Three! League, is the man. He was purchased outright

The ruling of President Ellison, of the Appalachian League, that all games won by the Kinsaport Club this season in which Pitcher Sum Hill played must be replayed, puts the Kinsaport Club in third place and Johnson City in first, Kinsaport has virtually elinched the pennant for the second half of the season.

A new American League record for total runs and total hits was established in the Chicago-Detroit game. Twenty runs, on twenty-two hits, were scored by the White Sox, while the Tigers crossed the pentagon fifteen times on twenty-bingles. A total of thirty-five runs on forty-two hits.

Speaking of record hits, Babe Ruth killed two birds with one stone, so to speak. He tied his 1936 home-run record with his mighty smash, and broke a long-distance record at Shibe Park when the ball sailed over the left feld well. BASEBALL TODAY, 3 P. M.

Tendler-Friedman set-to. The sailor just about came in under that scale for their previous battle, while Tendler weighed 134½.

There is all sorts of interest in the return engagement, as many fans still contend Friedman showed to advantage over Tendler a month ago. The Sailor came back with a great rally in the last few rounds and after a terrific pace finished stronger than the Phila-

Central High School will inaugurate the 1921 football season at Queen lane with Penn Charter on September 30.

Last season, as has been die case for some years back, the Mirrore also played the opening game with the Quakers, The game which was played on September 25 will be remembered by followers of the two elevens, and also by scholastic enthusasts in general, as one of the best school games of the pass season.

The Crimson and Gold failed to drop a game in 1920, but if ever near defeat they were that day. The first quarter was without a score. In the second period, however, Central got away with a short forward pass, and the end carried the ball to the 3-yard line before he was downed. Dick Wells carried the pigskin over for the touchdown on the next play.

The third period also was scoreless, neither team having any advantage over the other.

Penn Charter opened up with a long forward pass in the final stanza, and caught the Central men by surprise. An both one man, Gene Pavitt, was fooled by the play. He stopped the fast end. Robby Statzell, brother of the Penn Charter captain, on the 10-yard line, and saved the game, as the Quakers were unable to push the ball over.
