WILLIAM H. WANAMAKER

1217-19 CHESTNUT STREET In Our Windows Today Just Placed Into Stock Handsome New Fall Suits \$30 and \$35

THE first group contains as handsome suits as you will see anywhere this season and other stores are offering them at one-third more than our selling price.

Made of celebrated Fisken Tweeds.

The second group consists of handsome worsteds in heavy weights in a variety of desirable patterns.

This day one year ago it would have been necessary for us to price them at \$55, but the William H. Wanamaker store has taken advantage (for its customers) of every decrease in the cost of textiles that has occurred in the markets.

We do not think you can find greater value than is seen into these two lines of new suits.
