Knowing the Arts

book should be of real value to Phila-delphians with the art treasures that

are open to them, such as the Johnson collection and the permanent galleries at the Academy and Memorial Hall.

Arundel Cotter has a thesis in his authoritative summary. "United States Steel" (Doubleday, Page & Co.: It is exhibited in the subtitle. "A Corporation With a Soul."

tion With a Soul."

Mr. Cotter has written a book of both personalities and policies. There are people in it as well as facts. Judge Gary, Schwab, Farrell, Perkins, Morgan, are the outstanding figures of the

author's financial and economic analy-

sis. But the book has in it more than magnates—mere magnates. It sets forth

primarily the human side of one of the world's greatest industrial combines.

The human interest side of or

port have said possess any warrant of

truth. Of course they were hostile and
