CECIL LEITCH IS BEATEN IN U.S.GOLF BY MRS. F. C. LETTS

England's Greatest Woman Golfer Bows to Former Western Champion, 1 Up

MISS MILDRED CAVERLY LOSES TO EDITH LEITCH

By SANDY MCNIBLICK Hollywood Golf Club, Deal, N. J., Oct. 5.-Miss Cecil Leitelt, of England. acclaimed as the world's greatest woman's golfer, crashed to earth in the second round for the wennen's golf cham-pionship of the United States at the

Hollywood course here today.

She was baten by the former Western champion, Mrs. F. C. Letts, on the last green, 1 up. Mrs. Letts' iron nerve accomplished a feat that no other woman has been able to do in any land or clime in a great national champion-ship since 1914.

With the courage of a dozen lions.

Mrs. Letts, 2 down at the turn, won
three out of four holes after the thirteenth and was 1 up with 2 to play.

She lost the seventeenth when Miss
Leitch sank a putt from fifteen feet
and they came to the home hole all

Everybody in New Jersey, it seemed, was banked there on the slopes at the fadsh. The great teell, in a tight fix for the first time in years, hit one with all her powerful force, but the wind belied to carry it behind a bunker slope in the rough.

Mrs. Letts never changed expression. but her white teeth showed as she stood there before them to do or die. It was Manslaughter Charge on Cal- a perfect tee shot to that wreeking righteenth, straight down the fairway. They had it figured that commering Cecil would get the American yet with her British hitting and distance. But Mrs. Letts followed her drive with a weet from which her drive with a sweet iron which landed on and stayed on. Miss Leiten, from the rough plowed in and the ball ross like a wallow sweeping for the green. It rolled past the pin

Mrs. Letts Dazed They crowded around the green. It was the test and it looked like extra

holes or maybe defeat if Mrs. Letts ful-Miss Leiteh putted first. The green was fast and she overvan. Mrs. Letts

was fast and she overcan. Mrs. Letts calmly stepped up and with little delay hit her putt firmly, but it was three-feet short in an effort to avoid Miss Leitch's mistake. The British woman seemed shaky as she lined her short putt up. She must have sensed the elenching of hidden fists; the hopes in those thousands of American fans that she would not make it.

dropped. She had I. She looked around dazed as the fans loose with cheers and a roar which shook the very Miss Leiten stood there a minute and

then smiled. She took her first defent in the championship of a untion since these last seven years like a real Her hand was the first to grasp that

at the American victor like wheat in after full investigation of the alleged, the fields. No woman was ever carried from the sports field of triumple. But they all but earried Mrs. Letts

STEAMER OFF CAPES SENDS S. O. S. CALL

BOSTON, Oct. 5 .- The steamship Hayden, Genoa for New York, sent out an S. O. S. call today, 800 miles off the Delaware Capes. saying she was disabled and in need of a tow. The Hayden was last reported as having experienced pump trouble September 9 after leaving Ponta Del Gada.

UTILIZATION OF REFRIGERATOR CARS URGED

WASHINGTON, Oct. 5 .- Railroad officials have been enlisted in a campaign to increase the utilization of refrigerator equipment, according to the American Railway Association, in an effort to avert a possible shortage. Circulars have been sent to shippers and roads alike, urging fuller loading, speeding up of refrigerator car repairs, and their exclusion from all service except that of perishable commodities. Traffic in the latter, principally fruits and vegetables, it is said, will break all records and strain all facilities during the next sixty to ninety days.

PREMIER OF NEW SOUTH WALES DEAD

SYDNEY, N. S. W., Oct. 5 .- John Storey, who in April, 1920. became Premier of New South Wales, died today. He was for many years a labor leader in Australia.

PRESIDENT HOPES TO SHOW SENATE BACKS HIS PLANS

Accord With Congress Necessary to Impress Powers in Disarmament Conference

TO REMAIN IN SESSION DURING COURSE OF PARLEY

By CLINTON W. GILBERT Staff Correspondent Evening Public Ledger

oppriedit, test, by Public Leager Company Washington, Oct. 5.—The reason why President Harding wishes Congress to stay in Washington during the disarmament conference and pass the foresten debt defunding bill is plain

The Administration must show to the foreign representatives gathered here that the Executive and the Senate work together in beautiful harmony and that the Executive's foreign policy will be its advice and consent.

The world requires tell demonstration. It has dealt with the chief partther in the American firm which handles foreign relations often to find that the ther portner, the Senate, was wicked. If foreign Covernments ranke an agree-ment with Mr. Hughes, acting for Mr. Harding, will they be making one with the American Government?

The Wilson Precedent

They had the experience only two years ago of having President Wilson sign two treaties, one making the peace of the world and the other creating a Great Britain, only to fird that Woods raw Wilson's name on those two scraps of paper was exactly as good as if it but been the name of John Smith.

"Ah." it was said, "but Mr. Wilson suffered from the tal-fortune of not being supported by a Senate of his own party. It will be different under Mr. Having. He will have a Republican Senate to ratify his agreement and enact his policies into law." But will be? The foreign delegates have to be shown. And so far as it has gone the showing of them has only left them more skipti-

the German trenty is a source of weak-ress to Mr. Hughes in the coming conterence. The Administration had one main object in negotiating the German treaty, and that was to secure a legal status for the United States in the Reparations Commission. The Senate. lowever, heatly extracted from the reaty the one element which interested the great Powers and which had been the chief concern of the Administration. by saying that no one should sit in the Reparations Commission representing the United States unless Congress (should pass a special act permitting his

Can't Afford a Fight

If the Administration could move at onee and secure the passage of an det commission, foreign Powers would be marrised, the United States would be exhibited as intending to take its part in world affairs and Mr. Hughes would simul before the eyes of foreign dele-gates as speaking for the whole Govern-

only a part of it. Hut a bill to earny this out would meet with a bard tight. The strength of the collat outsits would be paraded Reparations Communission, it might show such strongth that trenties requiring a two supplies were would look doubtful to The great Powers are interested in their debt to us, vitally interested, more interested flam they are in anything on the agenda of the coming conference, ever it Japan succeeds in stretching
