Retires After 36 Years to Become Governor General of the Philippines

HAD DISTINGUISHED CAREER inajority of the training camps for Na-

By the Associated Press active service in the army to accept appointment as Governor General of the Philippine Islands, thus terminating Philippine Islands, thus terminating voluntarily more than thirty-six years of distinguished military life. His retirement was caused by the insistence of Administration officials that he accept the new post and the refusal of Congress to permit him to do so while continuing his active army status.

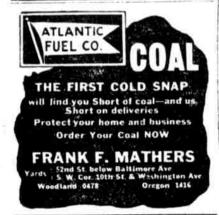

In announcing the General's retire-nent, Secretary Weeks said he soon would select a Vice Governor for the islands and expected immediately to commission General Wood to duty as Governor General. He announced also that nominations would be forwarded to Congress without delay premoting Brigadier General Charles J. Bailey. commanding the Second Coast Artillers, to fill the vacancy caused by General Wood's retirement. Wood's retirement.

Began as Contract Surgeon General Wood began his army care immediately entering service w troops in the Apache enmpaign Arizona and Northern Mexico. ommander of an infantry detachment

n that campaign, he was commended "for gallant and hazardous service, courage and energy," and later was awarded the Congressional Medal of Honor for distinguished conduct in the Apache fighting. When the Indians were pacified and

their leader. Geronime, taken, the sur-geon dropped his fighting weapons and returned to the practice of medicine and surgery at army hendquarters in Ari-zona. He continued in army medical service until 1808, but when the Span-ish-American War was declared in that year he re-entered combat ranks, or-ganized and commanded the First United States Volunteer Cavalry (Rough Riders), and later was transferred to command the Second Brigade, Cavalry Division, in the Cuban campaign, in which capacity he entered the fight at Las Guasimas and San Juan. Santiago. Appointed Military Governor

When the Spanish forces surrendere the General was appointed Military Governor of Santingo, the department of Santiago and Civil Governor of that province and Military Governor of the Island of Cuba. He turned the government of the island
