Daugherty Withholds Decision Until Disposal of Pending Resolutions

### KLAN ATROCITIES LEARNED

Washington, Oct. 6.—Decision by the Department of Justice as to investigan of the Ku Klux Klan will awalt quiry, Attorney General Daugherty said

Mr. Daughtery asserted that the congressional inquiry, if made, should develop the facts in the case, after which his department would take cognizance of the situation. He added that after the facts had been ascertained it would be necessary for the department to examine them carefully in order to de-cide whether Federal laws had been

Police Say Confessions Are Near in Murder of Woman in Virginia

SUSPECTS ARE UNNERVED

Richmond, Va., Oct. 6 .- A detailed onfession from both Roger D. East-ake and Miss Sarah Knox, suspected slayers of Eastinke's wife, is believed by the local authorities to be only a One or the other is expected to break

own and tell the whole story followng Eastlake's accusation against the nurse on the train while the prisoner were being brought here.

The real underlying reason for trans ferring the accused pair to this city was separate them so that the detectives could have a better opportunity to quiz them. The prison in which they were confined in Fredericksburg was so small that it was necessary to put the man and the woman in adjoining cells, and anything said by either could be plain!

heard by the other.

Rapid developments followed immediately on the assignment of Detective William A. Toler to the case. Assisted by Sergeant E. H. Organ, of the Richmond police. Toler soon uncovered cer-tain pieces of important evidence depite the fact that the Colonial Beach authorities had allowed sightseers to spoil most of the finger-prints in the kitchen of the little bungalow where Mrs. Eastlake was backed to death.

In Widely Separated Cells

The same sort of police work that has brought so much to light in the last twenty-four hours will continue today. Eastlake and Miss Knox are now in the Richmond jail in widely separated cells. When first brought here they were lodged in one of the precinct lock ups, but late last night they were sud denly transferred to the inil.

Detective Toler and Sergeant Organ men in the fire at the plant of the At-lantic Refining Company at Point he b Breeze August 14, the first of the two the he believed one or the other would tell

the whole story.
"We will use the same methods that were so successful on the train yesterrecent serious fires at the plant.

The men killed were Hugh Martin. day," he said. "Just as soon as East-lake was separated from Miss Knox he showed a disposition to talk. In almost no time he had stated that Miss and Hugh McClune, 6132 Reinnart Knox had told him that she killed Mrs. Eastlake. Of course, she denied this. Being of stronger mentality than the naval petty officer, she will probably re-sist longer, but probably, once she is convinced that Eastlake has turned a plan o posing areas of legal talent represented the oil company. Cooney and Hawley, police say, played a "sure-thing" system in get-ting a prospective customer, then going to Philadelphia or some other Pennsylvania city to steal the kind of car the customer desired. Both are under ar-

We have a well-deserved reputation for carrying the greatest variety of "Stripes" in neckwear in Philadelphia-wesell vast quantities of them, so our patrons evidently appreciate the wide scope of our assortments. Three recent arrivals are

particularly pleasing: At \$1.50-a fine range of college stripes in a wellwearing rep silk - plenty of pleasing color combinations.

\$2.00-Scotch-spun scarfs in stripes of varying widths and arrangements. These show the lustrous colorings that are so splendidly brought out in Scotch-spun silks.

\$2.50 - Extra quality heavy rep silks in neat striped effects-hair lines and cluster stripes-one of the most notable presentations of this type of scarf that we have ever
