MYSTERY IN DEATH AUTOMOBILE PARTY

Companions Say Ruth Lane, 3720 N. 6th St., Leaped From Car and Was Hit by Another

BODY PARTLY DISROBED; 2 MEN AND WOMAN HELD

Considerable mystery surrounds an utomobile accident on the Northeast Boulevard early this morning in which Ruth Lane, twenty-five years oid, 3720 North Sixth street, met death.

With the young woman in the car were James Thomas, 320 West Cambria street; Anna Wilkinson, 3720 North Sixth street, and James Coyle, 1533 Seltzer street.

The members of the party were arraigned before Magistrate Costello at the Frankford police station and each neld in \$2500 bail for a further hear-

ing next Saturday.

Although Thomas and Coyle asserted that Miss Lane jumped from the automobile and was struck by a car going in the opposite direction, no reason was given at the hearing as to why the ung weman had done so

The police doubt the statements made Coyle and Thomas and assert that no other car figured in the accident. Shoes Off and Partly Disrobed

Patrolman Howard, who picked the young woman up, said that her shoes had been removed and that she was partially distobed. Her neck was broken and her right leg also was fractured. She died shortly after being removed to the Frankford Hospital. Howard sain that he and District Detective Dougherty searched for the car supposed to have struck Miss Lane,

but could find no trace of it.

Howard said that after picking up
the body of Miss Lane he commandeered the automobile of John Powell, 4203 North Sixth street, and sent th young woman to the hospital in that machine. Coyle, Thomas and Miss Wilkinson reached the hospital shortly after Miss Lane arrived. The young woman was unable to make a statement.
Coyle said that he was not aware that

Miss Lane had jumped from the ma-chine until he had reached a point man; yards distant from where she took the
