

### BOY KILLED, 2 HURT; PROTEST SPEEDING

Neighborhood Roused by Second Accident at Sixty-first and Walnut Streets

#### MEETING TO BE CALLED

Death of one child and injury to two more in automobile accidents at Sixty-first and Walnut streets, all within twenty-four hours, aroused a storm of protest in the neighborhood. A meeting is to be held by residents of the section within the next few days. It is charged many cars speed over the intersection.

Last night an auto driven by Victor Konstantinovich, York street near Frankford avenue, went up on the sidewalk and smashed a small coaster wagon in which two boys were riding. They were injured.

The boys are Daniel Henry, six years old, 6151 Walnut street, and Robert Short, six, 6153 Sanson street. Both were out and bruised and the Short boy has a broken collarbone. They were taken to the Misericordia Hospital.

This morning Magistrate Dugan held Konstantinovich in \$1000 bail for a further hearing. When he was arrested last night, in addition to charges as a result of the accident, he was accused of being intoxicated. This charge was withdrawn today when a police surgeon who examined him said, although he had had a few drinks, he was perfectly able to drive an automobile.

Residents of the neighborhood only recently protested to the police the way the streets in the vicinity were being used as speedways. Among those taking a leading part in this protest was John Malton, 3851 Walnut street.

Early Tuesday evening his six-year-old son was killed at the same spot as the accident last night by an automobile driven by Hugh McCullough, Addison street near Fifty-fifth. McCullough is being held without bail to await the action of the coroner.

Mrs. Henry, mother of one of the boys injured last night, said today: "I think it is a perfect crime the way automobiles speed near Sixty-first and Walnut streets. There have been a great many accidents there recently. My husband and I are going to do everything in our power to stop it. All our neighbors are indignant. We have no definite plans of just how we will protest against these speeding motorists, but I know there will be a neighborhood meeting very soon to discuss what action we can take."

### 'FINS', NOT FINES, NOW AIM OF 'BOOTLEGGERS' SPECIAL'

Captain Roy and His Erstehile Rum-Runners Swear Off and Cruise Coast for Bluefish

Atlantic City, Oct. 13.—"School of bluefish three points off the port bow; away with your dories."

This is now the every-day command of Captain Joe Roy, erstwhile skipper of the rum-running schooner Pocomoke. For Captain Joe, disgusted by his experiences following his arrest on the charge of smuggling liquor into the United States, has turned real fisherman once more.

Today he is master of the fishing smack Sussex, known at the Inlet as the "Bootleggers' Special" because its crew is composed of seafaring men who in the last three months have been in the toils of Federal authorities through their rum-running activities. "Sure it's the 'Bootleggers' Special' and we are rather proud to let the world

know we are up and doing our duty as real fishermen once more," said Captain Joe Roy. "Laying fifteen or twenty miles off shore, hauling in bluefish and other toothsome denizens of the deep, is the dangerous job that rum-running was. I have the two Aspinberg boys who were grabbed by Government men on the schooner Thomaston, in Philadelphia, charged with smuggling. Like myself, they are real fishermen and took a flyer for big money. We did not get the big money, but we did get ourselves sent to jail. That is why we are back to our fishing lines. We do not want to be caught again in the Government net. Once was enough for us. On this point we all agree and no amount of money can tempt us to give up the hook."

#### TO CHECK VANDALISM

McPherson Park May Be Put Under Fairmount Commission

The city will be urged to put McPherson Park, Kensington and Indiana avenue, under care of the Fairmount Park Commission, by members of the North Kensington Business Men's Association.

This action was decided upon at a meeting of the organization, where it was pointed out that vandalism had resulted in \$10,000 damage to the park last year.

#### NEW NAVY CHAPLAIN ON JOB

Captain James D. MacNair Succeeds Captain Dickins Here

Captain James Duncan MacNair has assumed his duties as chaplain at the Philadelphia Navy Yard. He is one of the few naval officers to be decorated for bravery during the war in a purely military operation.

He was awarded the Navy Cross for conspicuous gallantry in Belleau Wood while serving with the Second Division. He succeeded Captain Dickins, who has been assigned to duty as chaplain with the Pacific fleet.

Schlosberg was awakened by a crash of glass. He ran to a window in time to see a truck pulling away from the
