

Frankford High Upholds Dope by Trouncing Northeast

FRANKFORD ROLLS UP SCORE ON N. E.

Pioneers Play Up to Form, Defeating Archives by 32-to-0 Count

VICTORS' DEFENSE GREAT

Frankford High School was victorious in the opening interscholastic League football game of the season on the Yellowjackets' field, Oxford Pike, near the high school, yesterday afternoon. The final score was 32 to 0.

The Pioneers, picked by many to win the public high school crown this season, played superb football throughout the game. The offensive game was good, and the defense was even better. Northeast attained only two first downs during the entire game.

The first score was made in the opening period. The count came when Clausen, left tackle, was called back, given the ball on the 14-yard line and he plunged through the line for a touchdown. Weekes, regular full-back, who was in Captain Paul Remmey's place at quarterback, kicked the goal.

An intercepted forward pass in the second period started Frankford on its way to the next touchdown. Sommers took the ball around end for 21 yards, then brought the pigskin to the center of the field. On the next play he took it over for the six points. He again booted the goal.

Frankford scored again the same period when Lightfoot ran through center for 28 yards. Weekes ran around the end for the same distance after a 15-yard penalty and Sommers hit the line for 3 yards. Weekes failed in the attempt for the one point.

The fourth touchdown was made when Frankford blocked a kick. Lightfoot recovered and ran 40 yards for a touchdown. Weekes again failed to convert the touchdown into a goal. The last touchdown came in the final period. Within a few minutes before the close of the game Weekes went through the line for the half-dozen points. Once more he missed the goal.

Barney Reilly, seventeenth Ward boxer, is out with a challenge to Martin Jule, Tommy Murray, Maxie Williamson and other 122-pounders who want his name.

Charlie Dargatz, 124-pounder, has rounded into fine fettle and he is prepared for bouts with any one his weight.

BIG LOCAL GAMES ON GRID TOMORROW

Vincome and Holmesburg Play at Crystal Field—Frankford vs. All-Lancaster

CONSHY BOLSTERS TEAM

With the World Series out of the way the stage is all set for football, and local independents now hold the center of the stage, while a number of mid-season games are on the schedule for tomorrow afternoon.

Vincome meets the Holmesburg eleven at Crystal Field, Frankford avenue and Rhawn street, and the Frankford Yellowjackets take on the All-Lancaster eleven, which on Sunday ran up a 65-0 score on Bethlehem.

The Northwestern Club, a newcomer in city gridiron circles, meets East Falls at the Stenton Field Club grounds at Eighteenth and Rockland streets. East Falls defeated Union A. A. of Phoenixville, in the opening game by 9 to 0.

Union, by the way, has been considerably strengthened since that time. Frank Pollock, who was one of the men that put the club on the map last year, is now in charge and he has signed virtually a new team. Union takes on Ewing A. A. tomorrow.

Conshohocken is another of the big teams that has bolstered its line-up considerably. New players have been signed without any trumpet blowing, and Holmesburg and Frankford will in all probability meet the Conshy of old when they clash. One season in the background was evidently enough for the Schuylkill Valley eleven, and it is out to retrieve lost laurels. The team plays Thomas A. C. of Bethlehem, tomorrow.

A number of other local games of importance are on the calendar. Rosborough, which held Clifton Heights to a 7-0 tie, meets All-Philadelphia at Kaywood Field, Thirty-first and Dickinson streets. Bridesburg opens the season with Roth Athletic Club at Richmond and Orthodox streets and Media A. A. tackles Varsity A. A. at Sixteenth and Oxford streets.

Taylor to Lead Track Team
Mercoerburg, Pa., Oct. 14.—Henry C. Taylor, of Brookville, Pa., has been awarded the honor of captaining the Mercoerburg Academy track team during the coming season. Last year Capt. Taylor proved to be one of Mercoerburg's most consistent point scorers.

Cornell Defense Strong

Ithaca, N. Y., Oct. 14.—The Cornell varsity eleven lightened its vigorous practice program and spent most of yesterday polishing off rough corners in preparation for the game with Western Reserve on Saturday. The regulars were on their toes and had an alert secondary defense in which Ramsey, Fenn, Lecher and Morris were conspicuous. They broke up virtually all of the aerial offenses of the scrum.

Last week we started this gigantic drive in which we deliberately sacrificed profits on our entire stock, and in some instances a part of the cost, on a million dollars' worth of nationally advertised brands of clothing. We did this to start buying on a grand scale so as to leave us open to make even greater purchases in the future and at the same time do our part in relieving the unemployment situation. And the results were astounding.

Distributing a million dollars' worth of merchandise NOW means 40,000 garments at an average price of \$25.
